**The Writer's GPS** Deanna R. Adams, 2015-11-07 Most writers working on a book would love to have a faithful dependable friend beside them as they go through the day to day process of creating what they hope will be a published book. They would welcome a knowledgeable teacher and partner to take them by the hand and lead them through the maze. **The Writer's GPS A Guide to Writing Selling Your Book** serves as that friend teacher and partner. This is more than a how to manual. It's a guide book, a reference book, a workshop book, a Get It Done book, all in one comprehensive volume. Chockful of information, inspiration and the resources you need to write a book from start to finish. You're Going To Love This Road Trip.

**The Writer's Guide to Beginnings** Paula Munier, 2016-11-15 Give your story its best start. The best beginnings possess a magical quality that grabs readers from the first word and never lets them go. But beginnings aren't just the door into a fictional world. They are the gateway to the realm of publishing, one that could shut as quickly as it opens. In **The Writer's Guide to Beginnings**, author and literary agent Paula Munier shows you how to craft flawless beginnings that impress agents, engage editors and captivate readers. You'll learn how to develop the big idea of your story and introduce it on page one, structure opening scenes that encompass their own story arc, kickstart your writing with effective brainstorming techniques and introduce a compelling cast of characters that drive the plot. You'll also examine the best selling novels from different genres to learn the secrets that experienced writers use to dive straight into a story. With thorough examinations of voice, point of view, setting, dialogue and conflict, **The Writer's Guide to Beginnings** is a must have tool for luring your readers in with your opening pages and convincing them to stick around for the ride. Writing a book Hard Writing the beginning of a book Rocket science Strap on your spacesuit because thanks to Munier's nuanced actionable breakdown of every possible aspect of a gripping opening, authors everywhere can now take their books to the stars. ## **The Travel**

**Writer's Handbook** Jacqueline Louise, 2012-03-19 Veteran travel writer Jacqueline Harmon Butler shows readers one step at a time how to research, write and sell travel articles but most importantly she details what makes a travel article a winner. In this new edition, Butler updates her bestselling handbook for the 21st century with helpful tips on conducting Internet research, utilizing new advancements in digital photography and finding helpful applications on mobile phones. She also helps aspiring writers navigate the changing world of publishing by exploring blogging, new travel websites and social media, all while discussing how best to expand your platform. She includes a brand new introduction to reflect the current state of the travel industry and the change in editors' needs. Butler covers all the nuts and bolts aspects of travel writing from pre-trip research, specific marketing strategies and even includes 12 formats for travel articles with sure fire appeal to editors and readers. She gives insightful and often humorous advice on pre and post-trip topics like How to target your market before you begin, How to save time by doing background research before you leave, How to write queries and get assignments in advance, How to find new angles for overworked subjects, What to take along from video equipment and laptops to travel documents.
