Thermo King Intelliaire II Manual:

A Guidebook for Developing and Sharing Transit Bus Maintenance Practices John J. Schiavone, Transit Cooperative Research Program, 2005 This report should be of interest to transit bus maintenance managers and others interested in the development of written transit bus maintenance procedures or practices and the sharing of these practices with others in the transit industry. The report provides guidance on how to develop effective transit bus maintenance practices tailored to one's local operating environment. It provides seven sample practices developed using the guidance. Complementing this report is an on line Web Board sponsored by the Transportation Research Board's Committee on Transit Fleet Maintenance. This Web Board allows transit agencies to post their maintenance practices for others to review, revise as necessary for their own operating conditions and use. The report provides instructions on how to access the Web Board, use it to develop maintenance practices and share these practices among transit agencies. **Metro**, 2002
