Subhas Bose Abul Kalam, 1997 Diplomacy And The Independence Of Bangladesh: Portrayal Of Mujib's Statesmanship
Abul Kalam, 2022-09-16 Diplomacy and the Independence of Bangladesh is unique in itself penned by a social scientist with extensive upbringing in studies on diplomacy strategic fields peace research modern history and international relations A witness to the momentous events of Bangladesh's struggle for emancipation as they unfolded during Pakistani rule in East Pakistan the author also sets in conceptual designs for objective appraisals of the farsighted statesmanship of its founder Sheikh Mujibur Rahman with added reflections on shifting dimensions of diplomacy and their ramifications for mankind's waning civilizational journey

Subhas Bose Abul Kalam, 1997 The book focuses on the contributions of Subhas Chandra Bose as a revolutionary politician and on his diplomatic undertakings It places in perspective his strategic blueprint or framework of action for the liberation of India It examines his concepts on international relations in an era when in many parts of the world the notion of nation state and that of inter state relations were being formulated It advances the view that Bose was perhaps the only nationalist leader who demonstrated a great deal of understanding of the dynamics of strategy and tactics involved in India's liberation struggle He displayed great skill in international diplomacy despite the constraints and limitations imposed by the existing frame of national liberation struggle and the colonial surroundings of the time It is suggested that it was Bose who could have delivered India from colonial bondage and might have saved the subcontinent from the vicious circle of conflict and disharmony disintegration and fragmentation Bose's views on regional subsystem and international system as a whole have also been projected to suggest that he was far ahead of his time The strategic framework of Bose and his diplomatic thought as well as his legacy of action may perhaps still serve as the basis for forging and reinforcing a peaceful evolution of co operative system in South Asia
