The Yesteryears Me Growing Up:

The Snows of Yesteryear Gregor Von Rezzori, 2012-08-15 Gregor von Rezzori was born in Czernowitz a onetime provincial capital of the Austro Hungarian Empire that was later to be absorbed successively into Romania the USSR and the Ukraine a town that was everywhere and nowhere with a population of astonishing diversity Growing up after World War I and the collapse of the empire Rezzori lived in a twilight world suspended between the formalities of the old nineteenth century order which had shaped his aristocratic parents and the innovations uncertainties and raw terror of the new century The haunted atmosphere of this dying world is beautifully rendered in the pages of *The Snows of Yesteryear* The book is a series of portraits amused fond sometimes appalling of Rezzori's family his hysterical and histrionic mother disappointed by marriage destructively obsessed with her children's health and breeding his father a flinty reactionary whose only real love was hunting his haughty older sister fated to die before thirty his earthy nursemaid who introduced Rezzori to the power of storytelling and the inevitability of death and a beloved governess Bunchy Telling their stories Rezzori tells his own holding his early life to the light like a crystal until it shines for us with a prismatic brilliance

The Yesteryears, Me Growing Up! Verine Talton, 2015-06-15 The women in Mae's family were as fierce as a lioness and ferocious as a leopardess when it comes to caring of their families and the men who loved them These women were strong and a little flirty at times but held strong to their convictions Teaser The year was 1898 Bella and Gappy were my great great grandparents They were slaves on Master Barkley's Plantation in the Southern part of Texas The slaves had just finished a long hard day in the fields and tending the livestock They went home for the evening because the weather seem to be changing quickly The slaves were feeling uneasy about the way the sky looked so they hurried home quickly Once they got home Bella started to make supper in the kitchen Gappy was walking back and forth across the hardwood floor looking out the windows at the sky He was getting a little nervous because the sky started getting real dark and it started to rain The wind started blowing so loud and hard he thought it was going to blow them away We were all getting real scared and started huddling together I told Bella feeling concerned a storm is blowing up and we got to hurry up and get down in the storm cellar before it gets worse The weather started to change outside Bella and Gappy took their child Nerve and gathered things to go down in the storm cellar Bella was pregnant with their second child and had been having stomach pains all day The pains didn't bother her too much because she knew the baby wasn't due for another month We went down in the storm cellar to ride out the storm with other slaves that lived nearby Bella always kept it filled with supplies to last us awhile just for these times Everyone start getting scared and nervous so we huddle up real close together Bella's pains got worse and they started coming closer and closer The storm outside was getting worse and the wind was blowing with a vengeance Bella panting said to Gappy I hope this baby wait till this storm is over before it gets here Breathless She sat in the corner putting her feet up holding her stomach and yelling in pain The women folks put a sheet up with a rope to close that portion of the cellar off Gappy and the other men

pace the floor listening for the baby to cry Some of the men were peeking out the cellar door every now and then looking to see what was going on with the weather outside It was stormy the rain was coming down hard and the wind was blowing so had the men folks had to hold the storm door the keep it closed while looking out One of the slave said shackling said It s got to be a tornado coming wind don t blow that hard for nothing Bella cried out to the other women I thought we had more time before this baby got here Panting It seems her pains were getting closer and the pains were getting harder Gappy said sadly Guess it s time for that baby to make its way into this troubled world we was living in After a long time of waiting Bella started hollering real loud and gave one last push then finally she gave birth to my Great grand momma Red Red will be known as Momma from now on more on that later She started crying and all the men started hoping and hollering with joy She had big brown eyes and black curly hair Everyone forgot about what was going on outside for a minute Before you know it the storm had finally died down We went back to our houses
