These findings support the hypothesis that the *hsp70* gene is involved in the regulation of the *hsp70* gene.

It is recommended that you either never approach individuals with a gun and/or advise other individuals never to approach individuals with a gun. This strategy however, does not guarantee that individuals will not shoot you or others near you.

¹⁰ See the discussion in the previous section on the relationship between the two types of models.

"There is little one can do to reduce social stigma or increase social acceptance of gay people," says Luthar. "That's up to the community. I think positive messages about acceptance and equality need to come from within the community, not from someone else. But there is a process within. There's a lot of work to be done."

Figure 8. Decreasing the α (0.0001) parameter provides enhanced enthalpies and greater enthalpies of fusion for these experiments. These new enthalpies allow the results of other thermal blocks presented in this paper to be compared to previous literature.

Whether these findings primarily arose from varying enforcement efforts will require more research. In the future, more research will also need attention to examining how communities have chosen different approaches. The many successes of a community-based approach to addressing food desert issues highlight the importance of community-driven solutions.
