Celebrating Ourselves Daryl Russell Grigsby, 2010-11 *Celebrating Ourselves* demonstrates how baseball is intricately woven in the fabric of African American family social and political life. Beyond the significant accomplishments on the diamond well recounted here, baseball knitted generations taught perseverance, demonstrated economic independence and been a forum for civil rights and equality. From Moses Fleetwood Walker in 1884 to the founding of the Negro National League in 1920 from Jackie Robinson in 1947 to today's Reviving Baseball in the Inner Cities RBI, the game is connected with personal achievement, community advancement, economic independence and social equality. This book discusses baseball from three perspectives from the player, the fan and the family. Alongside statistics and accomplishments on the field, we read of the perseverance and dedication of the African American baseball fan. Much has been made of the decline in baseball's popularity among black Americans. When observers ask Where is the African American fan, this book boldly responds Right here.

Going, Going ... Caught! Jason Aronoff, 2009-02-06 Though Willie Mays' World Series catch of Vic Wertz's long drive in 1954 immediately comes to mind, there are many catches that have been called the greatest. This work documents baseball's best catches by outfielders from 1887 through 1964, the year of Duke Snider's retirement, the demolition of the Polo Grounds and arguably Willie Mays' last great grab. After introductory chapters on factors that influenced the catches and their legacies from ballpark quirks to the baseball and the evolution of baseball gloves to sportswriters and photography, the book describes famous catches by decade from such players as Mays, Willie Keeler, Joe DiMaggio, Duke Snider, Roberto Clemente, Curt Flood and many others. Extensive research yields a wealth of information for each catch, including commentary by period sportswriters, players and often the man who snagged the ball.

Game of My Life: New York Yankees Dave Buscema, 2013-03-25 In *Game of My Life: New York Yankees*, everyone from stars to supersubs offers personal stories revealing the obstacles they had to overcome in order to succeed on sports' biggest stage. Some of the biggest names to ever don the pinstripes are captured in personal portraits here, from Derek Jeter and Mariano Rivera to Don Mattingly, Reggie Jackson, Ron Guidry and all the way back to Yogi Berra and Tommy Henrich. Along with taking readers behind the scenes of the greatest moments in Yankees history from Bucky Dent's home run to David Wells's perfect game, the book offers a glimpse of what helped the stars reach their peak. Jorge Posada made up for the dream his father lost as a political prisoner in Cuba. Ron Guidry hunted from the time he was a boy to help his hard working father put food on the table. Award winning writer Dave Buscema, who covers the Yankees on a regular basis, paints a personal picture of the Yankees' biggest stars and captures the joy of those who rose from obscurity to history. The game accounts spark memories of the most exciting moments in Yankees history. The players' personal stories show that for many of them the game of their life was often about more than just a game.

Baseball and the Blame Game John Billheimer, 2007-07-16 Most baseball fans know what links Fred Merkle, Fred Snodgrass, Mickey Owen and Bill Buckner. It's a pantheon of public failure. They would be harder put

to say what links Eric Byrnes Tony Fernandez and Babe Ruth though these players made misplays every bit as egregious In this smart highly readable history of scapegoating John Billheimer identifies the elements that combine to condemn one player to a life sentence while another gets a wrist slap for the same offense As it turns out the difference between a lower case e in some forgotten box score and a lifetime of ignominy can hinge on a number of factors including timing geography reputation misunderstanding media bias and just plain bad luck

sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language. From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams, owners, commissioners and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs. *Electrical World*, 1928 *Life*, 1926 **The Railroad Telegrapher**, 1916 **Spin**, 2006 *Fourth Estate*, 1926
