Thieftaker The Thieftaker Chronicles:

Thieftaker D. B. Jackson, 2013-07-02 Boston 1767 Revolution is brewing and intrigue swirls around firebrands But for a thieftaker who makes his living by conjuring spells that help him solve crimes politics is for others until he is asked to recover a necklace worn by the murdered daughter of a prominent family **Dead Man's Reach** D. B. Jackson, 2016-05-13 Let the battle for souls begin in Dead Man's Reach the fourth stand alone novel in D B Jackson's acclaimed Thieftaker series Boston 1770 The city is a powder keg as tensions between would be rebels and loyalist torries approach a breaking point and one man is willing to light the match that sets everything off to ensure that he has his revenge The presence of the British Regulars has made thieftaking a hard business to be in and the jobs that are available are reserved for Sephira Pryce Ethan Kaille has to resort to taking on jobs that he would otherwise pass up namely protecting the shops of Torries from Patriot mobs But when one British loyalist takes things too far and accidentally kills a young boy even Ethan reconsiders his line of work Even more troubling is that instances of violence in the city are increasing and Ethan often finds himself at the center of the trouble Once Ethan realizes why he is at the center of all the violence he finds out that some enemies don't stay buried and will stop at nothing to ruin Ethan's life Even if that means costing the lives of everyone in Boston including the people that Ethan loves most

Tales of the Thieftaker D. B. Jackson, 2017-12-18 Eleven encounters with characters from the critically acclaimed Thieftaker Chronicles including previously unpublished stories **Thieves' Quarry** D. B. Jackson, 2013-07-02 Ethan Kaille isn't the likeliest hero A former sailor with a troubled past Ethan is a thieftaker using conjuring skills to hunt down those who steal from the good citizens of Boston And while chasing down miscreants in 1768 makes his life a perilous one the simmering political tensions between loyalists like himself and rabble rousing revolutionaries like Samuel Adams and others of his ilk are perhaps even more dangerous to his health When one hundred sailors of King George III's Royal Navy are mysteriously killed on a ship in Boston Harbor Ethan is thrust into dire peril For he and not Boston's premier thieftaker Sephira Pryce is asked to find the truth behind their deaths City Sheriff Edmund Greenleaf suspects conjuring was used in the dastardly crime and even Pryce knows that Ethan is better equipped to contend with matters of what most of Boston considers dark arts But even Ethan is daunted by magic powerful enough to fell so many in a single stroke When he starts to investigate he realizes that the mass murderer will stop at nothing to evade capture And making his task more difficult is the British fleet's occupation of the city after the colonials violent protests after the seizure of John Hancock's ship Kaille will need all his own magic street smarts and a bit of luck to keep this Boston massacre from giving the hotheads of Colonial Boston an excuse for inciting a riot or worse Thieves' Quarry is a stunning second novel in D B Jackson's Thieftaker Chronicles **Dead Man's Reach** D. B. Jackson, 2015-07-21 Let the battle for souls begin in Dead Man's Reach the fourth stand alone novel in D B Jackson's acclaimed Thieftaker series Boston 1770 The city is a powder keg as tensions between would be rebels and loyalist torries approach a breaking point and one man is willing to light the match

that sets everything off to ensure that he has his revenge The presence of the British Regulars has made thieftaking a hard business to be in and the jobs that are available are reserved for Sephira Pryce Ethan Kaille has to resort to taking on jobs that he would otherwise pass up namely protecting the shops of Torries from Patriot mobs But when one British loyalist takes things too far and accidentally kills a young boy even Ethan reconsiders his line of work Even more troubling is that instances of violence in the city are increasing and Ethan often finds himself at the center of the trouble Once Ethan realizes why he is at the center of all the violence he finds out that some enemies don t stay buried and will stop at nothing to ruin Ethan s life Even if that means costing the lives of everyone in Boston including the people that Ethan loves most *A Spell of Vengeance* D. B. Jackson,2012-06-06 A short historical fantasy set in the world of D B Jackson s Thieftaker series featuring Ethan Kaille Ethan Kaille is a thieftaker in Colonial Boston scratching out a living by restoring stolen property to its rightful owners But unlike others in his profession Ethan relies on magical spells as well as his wits to track down thieves Being a conjurer doesn t make him popular with the law in Boston so Ethan is taken aback when the sheriff seeks his help in settling a dispute between a pair of wealthy merchants and a ship s captain who has threatened their lives Ethan knows the captain can back up his threats with magic of his own But there is more to this matter than the merchants have let on and Ethan soon discovers that what he doesn t know might actually kill him At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *A Plunder of Souls* D. B. Jackson,2014-07-08 Boston 1769 Ethan Kaille a Boston thieftaker who uses his conjuring to catch criminals has snared villains and defeated magic that would have daunted a lesser man What starts out as a mysterious phenomenon that has local ministers confused becomes something far more serious A ruthless extremely powerful conjurer seeks to wake the souls of the dead to wreak a terrible revenge on all who oppose him Kaille s minister friends have been helpless to stop crimes against their church Graves have been desecrated in a bizarre ritualistic way Equally disturbing are reports of recently deceased citizens of Boston reappearing as grotesquely disfigured shades seemingly having been disturbed from their eternal rest and now frightening those who had been nearest to them in life But most personally troubling to Kaille is a terrible waning of his ability to conjure He knows all these are related but how When Ethan discovers the source of this trouble he realizes that his conjure powers and those of his friends will not be enough to stop a madman from becoming all powerful But somehow using his wits his powers and every other resource he can muster Ethan must thwart the monster s terrible plan and restore the restless souls of the dead to the peace of the grave Let the battle for souls begin in *A Plunder of Souls* the third stand alone novel in Jackson s acclaimed Thieftaker series At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *The Thief-Taker Hangings* Aaron Skirboll,2014-09-02 After the Glorious Revolution a not so glorious age of lawlessness befell England Crime ran rampant and highwaymen thieves and prostitutes ruled the land Execution by hanging often punished the smallest infractions and rip roaring stories of fearless criminals proliferated giving birth to a new medium the newspaper In

1724 housebreaker Jack Sheppard a pocket Hercules his small frame packed with muscle finally met the hangman Street singers sang ballads about the Cockney burglar because no prison could hold him Each more astonishing than the last his final jailbreak took him through six successive locked rooms after which he shimmied down two blankets from the prison roof to the street below Just before Sheppard swung he gave an account of his life to a writer in the crowd Daniel Defoe stood in the shadow of the day s literati Swift Pope Gay and had done hard time himself for sedition and bankruptcy He saw how prison corrupted the poor They came out thieves but he came out a journalist Six months later the author of Robinson Crusoe and Moll Flanders covered another death at the hanging tree Jonathan Wild looked every bit the brute body covered in scars from dagger sword and gun bald head patched with silver plates from a fractured skull and he had all but invented the double cross He cultivated young thieves profited from their work then turned them in for his reward and their execution But one man refused to play his game Sheppard didn t take orders from this self proclaimed thief taker general nor would he hawk his loot through Wild s fences The two faced bounty hunter took it personally and helped bring the young burglar s life to an end But when Wild s charade came to light he quickly became the most despised man in the land When he was hanged for his own crimes the mob wasn t rooting for Wild as it had for Sheppard Instead they hurled stones rotten food and even dead animals at him Defoe once again got the scoop and tabloid journalism as we know it had begun

The Thief-taker

T. F. Banks, 2001 June 1815 Regency era London comes vividly to life in T F Banks s darkly atmospheric mystery Against this enthralling backdrop when Napoleon Wellington and Lord Byron ruled the world stage and featuring a lively cast of rabble

rousers and miscreants constables and aristocrats The Thief Taker weaves an unforgettable tale of jealousy revenge and inconsolable love When Henry Morton is called to the scene at Portman House in Claridge Square the Bow Street constable finds a man dead ostensibly of asphyxiation He was Halbert Glendinning a member of the Sussex Circle and a gentleman of unsullied character whose behavior was above reproach Then why was he seen frequenting one of London s most notorious dens of iniquity And why has the driver of the hackney coach in which the dead man was discovered vanished into the night While Sir Nathaniel Conant the chief magistrate at Number 4 Bow Street accepts the official verdict of accidental death Morton knows that Glendinning was a victim of foul play With the help of actress Arabella Malibrant one of London s most celebrated beauties he embarks on his own discreet inquiry Morton s investigation takes him from the elegant town houses of Mayfair to the backstage dressing rooms of the Drury Lane Theatre from the cobbled streets of Whitechapel to the docks of the Old Bailey and into the teeming underbelly of a London he knows only too well Yet the answers may lie somewhere else entirely in an affair of honor between two men vying for the affections of the same woman As Morton s search brings him nearer to the truth as the upper circles of London society ruthlessly close ranks against him Morton must prevent a grave miscarriage of justice from taking place With his own freedom and ultimately his life suspended in the balance he races to unmask a killer whose motives are as complex and unfathomable as the passions that rule the human heart [Thief-Taker](#)
