## **Things Chinese Antiques Crafts Collectibles:**

**Things Chinese** Ronald G. Knapp, 2012-07-03 China's art objects and traditionally manufactured products have long been sought by collectors from porcelains and silk fabrics to furniture and even the lacquered chopsticks that are a distant relation to ones found in most Chinese restaurants. **Things Chinese** presents sixty distinctive items that are typical of Chinese culture and together open a special window onto the people, history and society of the world's largest nation. Many of the objects are collectibles and each has a story to tell. The objects relate to six major areas of cultural life: the home, the personal arts, crafts, eating, drinking, entertainment and religious practice. They include items both familiar and unfamiliar from snuff bottles and calligraphy scrolls to moon cake molds and Mao memorabilia. Ronald Knapp's evocative text describes the history, cultural significance and customs relating to each object while Michael Freeman's superb photographs illustrate them. Together text and photographs offer a unique look at the material culture of China and the aesthetics that inform it.

**Things Thai** Tanistha Dansilp, 2012-03-13 **Things Thai** presents over 60 different items from Thailand along with extensive cultural and historical background information. Each is a collectible in its own right and has some cultural relevance or a story to tell. Each object be it a work of art, an emblem or something more everyday represents an aspect of Thai life. Some items are devotional objects inspired by Theravada Buddhism, others are representative of the strong crafts tradition in the country; some have distinctive Thai design motifs such as the kanok flame and vegetal motifs; others are simply pieces of clothing or jewelry but all have a distinct bearing on Thai customs and culture. Each item is photographed separately and detailed text explains its historical importance and cultural significance.
