Things Hidden Scripture As Spirituality:

Things Hidden Richard Rohr, 2016-05-19 Sacred Scripture and Christian spirituality belong together In this exploration of the central themes of Scripture Richard Rohr transforms the written word discovering in these ancient texts a new and vital meaning relevant and essential to all believers He uncovers what the Bible says about morality power wisdom and the generosity of God in a manner that inspires in us a life changing response Rohr's Christian vision of abundance grace and joy counteracting the scarcity judgement and fear we know in our world has the power to revolutionize how we relate to ourselves and all around us *Things Hidden* is an invitation of gospel proportion to move on into the life God intends a life of joy and obedience Walter Brueggemann Professor Emeritus of Old Testament at Columbia Theological Seminary *Things Hidden Companion Guide* Richard Rohr, 2023-02-07 Discover the hidden connections between Scripture and your own spiritual life In *Things Hidden* Scripture as Spirituality Franciscan friar and bestselling author Richard Rohr lays out his case for a view of the Bible as a living text that can transform your way of seeing the world This companion to *Things Hidden* offers a way for you to delve even deeper into a vibrant relationship with God through Scripture The purpose of this guide is threefold To allow you to reflect on the major themes running through the Hebrew and Christian Scriptures To learn and engage in Christian contemplative practices that deepen those reflections To set intentions for becoming a more loving and engaged presence in the world Questions for journaling and reflection meditation prompts and prayer practices encourage you to focus on both action and contemplation Through these concrete lessons in linking Scripture and spirituality you can find personal meaning in Fr Richard's many insights The guide also contains detailed suggestions for adapting the material for small groups offering a way for faith communities to grow together in their understanding and appreciation of the Bible

[Read the Bible like a Mystic](#) Carl McColman, 2025-06-10 There is a better way to read the Bible with the eyes of a mystic and the heart of contemplation Can the Bible be saved More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism homophobia hostility to other faiths and other problems but a sterile academic reading of the sacred text seems spiritually unfulfilling Carl McColman author of The New Big Book of Christian Mysticism reminds us that there is an ancient third way of approaching the Bible reading scripture like a mystic This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally yet this approach maintains that spiritual wisdom guidance in prayer and encouragement for meditation are encoded throughout the sacred text Read the Bible like a Mystic will help Christians find an expanded relationship with their sacred textbook and it will also invite all people Christian and non Christian alike to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace justice and equality in our world Whether you come to the Bible from a preexisting interest in Christianity or mysticism this book shows how contemplative wisdom unlocks the liberating power of the Word for our time **Great Themes of Scripture: New Testament** Richard Rohr, 2013-11-04 The New Testament is

sometimes called the New Covenant signifying a new relationship between humanity and God From the viewpoint of salvation history the New Testament is the completion and the culmination of the Old Testament In terms of length it is only a small portion of the entire Bible and yet it is that portion which brings it all together Richard Rohr and Joseph Martos look at the many ways salvation themes are proclaimed by the various authors and literary styles of the New Testament

Using the Bible in Spiritual Direction Liz Hoare,2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced

spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction

Wondrous Encounters Richard Rohr,2010-10-18 Rohr s meditations on the daily readings of Lent are not for the sake of mere information or even for academia although the author

hopes it will satisfy both but for the sake of our transformation into our original image and likeness which is the very image of God What always and finally matters for all of us is encounter Father Rohr begins each meditation with a single title or phrase that sums up the point Then he offers the meditation followed by key passages from the readings He ends each meditation with a Starter Prayer that invites you to self disclosure and to enter the wondrous divine dialogue with clarity insight and holy desire There are two moments that matter One is when you know that your one and only life is absolutely valuable and alive The other is when you know your life as presently lived is entirely pointless and empty You need both of them to keep you going in the right direction Lent is about both The first such moment gives you energy and joy by connecting you with your ultimate Source and Ground The second gives you limits and boundaries and a proper humility so you keep seeking the Source and Ground and not just your small self From the Introduction

actually experience and live our lives We need spiritual practice that facilitates that growth and transformation and conversion of heart It is my prayer that these reflections will respond to that longing Read reflect and enjoy
