Things I Overheard While Talking To Myself:

Things I Overheard While Talking to Myself Alan Alda,2007-09-04 An insightful and funny look at some of the impossible questions Alan Alda has asked himself over the years What do I value What exactly is the good life And what does that even mean Picking up where his bestselling memoir left off having been saved by emergency surgery after nearly dying on a mountaintop in Chile Alda finds himself not only glad to be alive but searching for a way to squeeze the most juice out of his new life Looking for a sense of meaning that would make this extra time count he listens in on things he's heard himself saying in private and in public at critical points in his life from the turbulence of the sixties to his first Broadway show to the birth of his children to the ache of September 11 and beyond Reflecting on the transitions in his life and in all our lives he notices that doorways are where the truth is told and wonders if there's one thing art activism family money fame that could lead to a life of meaning In a book that is candid wise and as questioning as it is incisive Alda amuses and moves us with his unique and hilarious meditations on questions great and small *Things I Overheard While Talking to Myself* is another superb Alan Alda performance as inspiring and entertaining as the man himself Praise for *Things I Overheard While Talking to Myself* Engagingly thoughtful and thought provoking Alan Alda candidly shares many stories of his life so easily and wittily you can hear him speak as you read *Sydney Sun Herald* Alda is chatty easygoing and humble rather like a Mr Rogers for grownups His words of inspiration would be a perfect gift for a college grad or for anyone facing major life changes
