A Journey Tony Blair,2011-09-20 In this remarkably gripping memoir one of the most dynamic and controversial leaders of modern times gives us a firsthand account of his years in office and beyond Here for the first time Tony Blair recounts his role in shaping our recent history from the aftermath of Princess Diana s death to the war on terror With rare honesty and courage he recounts the belief in ethical intervention that led to his decision to go to war in Kosovo Sierra Leone Afghanistan and most controversially of all Iraq Filled with fascinating revelations about Blair s close friendship with the Clinton family his admiration for George W Bush and his relationship with Barack Obama A Journey is a must read political memoir providing an unprecedented glimpse into Tony Blair s experiences as Prime Minister through his own eyes

The Change We Choose Gordon Brown,2011-04-15 The Change We Choose Speeches 2007 2009 brings together the key speeches made by Gordon Brown during the first two and a half years of his premiership It reflects how the values and beliefs that have defined his political career have shaped his response to what have been arguably some of the greatest challenges ever to have faced a new prime minister The speeches in this book trace what will be seen by historians as an extraordinary era in British and international history We can learn a lot about his premiership by looking at the Prime Minister s penetrating and insightful speeches in this period as he sets out his thinking on domestic and foreign policy and responds to the events that have shaped his time in office We also learn much about Gordon Brown the man from the insights of those who have kindly agreed to contribute introductions and from the person who knows him best of all his wife Sarah who introduced his party conference speeches
