### Thirteenth Significance Development Consciousness Connection:

Collected Works of C.G. Jung: Alchemical Studies (Volume 13) C.G. Jung, 2014-12-18 The psychological and religious implications of alchemy were Jung's major preoccupation during the last thirty years of his life. The essays composing the present volume complete the publication of his alchemical researches to which three entire volumes have been devoted: *DDL*, the monumental *Mysterium Coniunctionis* Psychology and Alchemy and *Aion* *DDL* besides shorter papers in other volumes. This collection of shorter Alchemical Studies has special value as an introduction to Jung's work on alchemy. The first study on Chinese alchemy marked the beginning of his interest in the subject and was originally published in a volume written jointly with Richard Wilhelm. The other four are now published for the first time completely in English.

**Anthroposophical Soul Calendar and the Incarnation Cycle of Man** Roland Schrapp, 2021-01-14 This book takes a completely new look at the Anthroposophical Soul Calendar. It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner. A dense veil of Isis was spread over them of which is well known that no mortal person can lift it. Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this. Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul. If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ. By many quotations from Rudolf Steiner's lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses.
