Monmouth County, New Jersey

BY
WILLIAM S. HORNOR

This Old Monmouth Of Ours

Daniel J. Weeks

This Old Monmouth Of Ours:

This Old Monmouth of Ours William S. Hornor, 2009-06 Hampshire County was formed from the Virginia counties of Augusta and Frederick in 1754 Later during the American Civil War it became the first Virginia county wholly in the territory that is now West Virginia Mrs Vicki Horton is the compiler of a number of Hampshire County genealogical source record collections six of which are now available from Clearfield Company see also items 9734 9339 9147 9336 and 9335 Hampshire County Virginia Personal Property Tax Lists consists of alphabetically arranged lists of all persons who paid a property tax for every year between 1800 and 1814 except for 1808 when no tax was collected For each taxpayer Mrs Horton has coded the number of white tithables in the household the number of horses owned and the number of slaves if any On occasion persons are identified with supporting information such as occupation All the taxpayers are readily identified in the comprehensive index at the back of the volume Since this volume contains more than 20 000 entries it is hard to imagine a better census approximation of Hampshire County residents for this time period

This Old Monmouth of Ours William Stockton Hornor, 1932 **This Old Monmouth of Ours** William Stockton Hornor, 1990 *This Old Monmouth of Ours* William Stockton Hornor, 1932 *This Old Monmouth of Ours* W. S. Hornor, 2012-10 ... *This Old Monmouth of Ours*, by William S. Hornor William Stockton Hornor, 1932 ***This Old Monmouth of Ours*, by William S. Hornor**, 199? *Handbook of the Linguistic Atlas of the Middle and South Atlantic States* William A. Kretzschmar, William A. Kretzschmar Jr., 1993-09-15

Who uses skeeter hawk snake doctor and dragonfly to refer to the same insect Who says gum band instead of rubber band The answers can be found in the Linguistic Atlas of the Middle and South Atlantic States LAMSAS the largest single survey of regional and social differences in spoken American English It covers the region from New York state to northern Florida and from the coastline to the borders of Ohio and Kentucky Through interviews with nearly twelve hundred people conducted during the 1930s and 1940s the LAMSAS mapped regional variations in vocabulary grammar and pronunciation at a time when population movements were more limited than they are today thus providing a unique look at the correspondence of language and settlement patterns This handbook is an essential guide to the LAMSAS project laying out its history and describing its scope and methodology In addition the handbook reveals biographical information about the informants and social histories of the communities in which they lived including primary settlement areas of the original colonies

Dialectologists will rely on it for understanding the LAMSAS and historians will find it valuable for its original historical research Since much of the LAMSAS questionnaire concerns rural terms the data collected from the interviews can pinpoint such language differences as those between areas of plantation and small farm agriculture For example LAMSAS reveals that two waves of settlement through the Appalachians created two distinct speech types Settlers coming into Georgia and other parts of the Upper South through the Shenandoah Valley and on to the western side of the mountain range had a Pennsylvania influenced dialect and were typically small farmers Those who settled the Deep South in the rich lowlands and

plateaus tended to be plantation farmers from Virginia and the Carolinas who retained the vocabulary and speech patterns of coastal areas With these revealing findings the LAMSAS represents a benchmark study of the English language and this handbook is an indispensable guide to its riches Not for Filthy Lucre's Sake Daniel J. Weeks,2001-06 The late seventeenth and early eighteenth centuries were tumultuous times for New Jersey The settlers in East New Jersey rose in violent opposition to the proprietary government of the province Antiproprietary agitators including Richard Saltar defied the authority of the province courts often forcibly breaking up the proceedings and physically assaulting the judges Daniel J Weeks reveals that the antiproprietary movement was more than a spontaneous outburst against the perceived oppressions of the proprietors It was in fact a concerted and well planned effort to overthrow proprietary power in New Jersey and establish a government based on the consent of the majority of the freeholders The troubles had their roots in the very first days of settlement after the proprietors private owners of the land and government refused to recognize the land patents of the settlers BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Move On!** Faith McClung Kline O'Brien,2022-10-20 Author Faith McClung Kline O'Brien s paternal grandparents Albert McClung and Mattie Fitzgerald met at a small country church in Oklahoma in 1907 the year that territory became a state Albert s ancestors included Revolutionary patriots Saucy Jack McClung of Scotch Irish descent and Abraham Kuykendall of Dutch lineage who around 1740 relocated from New York to North Carolina where he settled and accumulated a fortune in gold coins Mattie descended from two former sea captains who became merchants in Brooklyn New York Edward Card from Maine and Nathaniel Grafton from Newport Rhode Island whose seafaring ancestors had sailed the Atlantic Ocean since the mid 1600s In Move On O'Brien chronicles her extended family s history with each chapter focusing on one of Albert s or Mattie s seventeen ancestral branches the Fitzgerald and McClung Clans and their allied lines the Anthony Barry Card Dods Forman Grafton Kuykendall Longstreet Miller Reid Thompson Tidwell Trigg Wilbore and Wyckoff families Ten of these lines include Revolutionary patriots and ten have roots in America extending as far back as the 1600s Move On tells how descendants of these disparate families met united in marriage and eventually became pioneers on the Southwestern prairies Glimpses of religion in the lives of everyday Americans appear throughout Move On which combines genealogical details with personal stories many taking place during pivotal events in US history Stories from the nineteenth and early twentieth centuries told firsthand by O'Brien s late grandparents help bring Move On to life through the eyes of real life characters her ancestors Philip Freneau Jacob Axelrad,2014-01-13 Philip Freneau was a poet editor and mariner A graduate of Princeton he was the roommate of James Madison and a classmate of Hugh Henry Brackenridge and Aaron Burr When the colonies rebelled against England he supported his newly born nation as a privateer spending some time in a British prison as a result He also served more effectively as the poet of the Revolution Later he became the journalistic voice of the democrats Ardently devoted to liberty he believed himself to be a defender of the common man for whom he fought selflessly and often

vitriolically throughout his life In newspapers such as The Freeman s Journal The New York Daily Advertiser The National Gazette The Jersey Chronicle and The Time Piece he published articles letters and poems instructing the citizens of the new Republic about their rights and attacking those who he believed were infringing on those rights In the midst of the controversy in which he was so often involved he also found time to write a small body of poetry whose sensitivity and beauty mark him as the poetic equal of his European contemporaries and in fact as a precursor of the new Romantic movement In Philip Freneau Champion of Democracy Jacob Axelrad provides a detailed biography of this pensman of the Revolution and early Republic He gives a sympathetic imaginative perceptive yet objective interpretation of Freneau and his place in history and at the same time he presents a delightfully readable and clear picture of the period during which the poet lived These pages not only re create the battles between Whig and Tory federalist and democrat but they also are alive with the activities and philosophies of the men who made American history James Madison Thomas Jefferson Alexander Hamilton George Washington John Adams James Monroe go about the business of creating and shaping a new country and as they do they move into and out of the life of the poet of Monmouth influencing him in a variety of ways Above all Axelrad brings to life for the reader the man Freneau simple direct often uncritical in his devotion to the cause he believed in courageous in sustaining his stand against strong opposition disillusioned and pessimistic about human nature yet boldly optimistic about the future of humanity and of his country And always behind the furor the reader is aware of the man struggling to provide a living for himself and his family and never quite succeeding

Political Parties before the Constitution Jackson Turner Main, 2014-01-01 This is the first book dealing with any period in American history which attempts to describe and analyze national politics through studying voting patterns in state legislatures During the 1780s two relatively stable legislative parties emerged in every state and each state possessed common characteristics Main labels these parties localists and cosmopolitans and show how such issues as funding of debts paper money and land prices provided a battlefield for those early part division Originally published in 1972 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value [Palmer's in America](#) Horace Wilbur Palmer, 1959 *Schoharie County Historical Review*, 1973 *Comptonology*, 1939 **The Colonial Courier**, 1977 [Publishers Directory](#), 1994 **Genealogy & History**, 1959 [The Van Cleef Family](#) Wilson V. Ledley, 1976 Jan or John Van Cleef was born about 1627 probably in Amsterdam The Netherlands and came to America in 1653 He died after 1698 in New Utrecht Kings County New York **Stories of New Jersey** Federal Writers' Project of the Works Progress Administration for the State of New Jersey, 1936

Enjoying the Tune of Phrase: An Mental Symphony within **This Old Monmouth Of Ours**

In some sort of taken by displays and the ceaseless chatter of fast interaction, the melodic beauty and emotional symphony produced by the prepared term often fade in to the background, eclipsed by the constant sound and interruptions that permeate our lives. Nevertheless, nestled within the pages of **This Old Monmouth Of Ours** a wonderful fictional prize overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that charming masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously constructed phrase. Within the depths with this touching review, we will explore the book is key harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
