Threads Of Hope Fabric Of Time:

Thread of Hope Rachel J Bonner, 2019-05-02 What if your secrets are so dangerous they could destroy the one you love Is honesty always the best policy This is a story of faith god and fantasy all mixed into a beautifully written tale of love and consequences of our actions one that will stay with you The Bookwormery Leonie may have run away but Prospero will find her He loves her and he wants a future with her by his side whatever the consequences Only when he does find her he ought to tell her who he really is outside the monastery That ll make her run again Dare he risk it But if he doesn t tell her someone else may Marriage to Prospero is what Leonie wants most and the one thing she knows she can t have If he found out what she was really like what she d been what she d done he d despise her and she couldn t bear that Better to leave now than live a lie but it s harder than she expected If only Gabriel is starting to discover the secrets inherent in Leonie secrets that not even she knows secrets that will tear the world apart And the secrets he is keeping are tearing him apart How can sacrificing those he loves possibly achieve peace when everything he discovers risks the death of millions The pacing complimented the plot which was self contained and a wonderful next step for the natural progression of the story I hope the author continues developing and exploring the world she has the fundamentals for a saga on her hands Radzy Writes An intriguing second book in this surprising series The end is so thrilling I want to read the next book In De Boekenkast I was enveloped by the magic of this world The whole book was super unpredictable the writing was yet again really easy to fall into Writing with Wolves The character development is fantastic The plot was intricate and absorbing I wanted more Jessica Belmont I love how the characters are developing and how the relationships interactions and all the secrets are connecting and proving to be even more important to the all underlining of the story and plot An exciting interesting thought provoking emotional journey Jess Bookish Life An interesting post apocalyptic universe with plenty of intriguing characters Becca s Books Interesting ideas clear creativity and a vivid imagination I think Bonner likes to leave readers teetering on the top of the abyss Cheryl M M s Book Blog Reviews for Strand of Faith book 1 in the Choices and Consequences series Magical full of adventure with enjoyable characters a must read for the genre Touch My Spine Book Reviews The quick pace perfect balance between information and action along with the likeable characters made Strand of Faith a truly enjoyable read It is a truly unique story and the elements are woven together so well Odd Socks and Lollipops What can I say about this book It was pretty darn good I can truly recommend this book to anyone that likes to read about choices and it has certainly paved the way for a fantastic series Nemesis Book Blog Such an exciting concept executed so cleverly and uniquely This is the start of such an exciting series and I cannot wait to see where we head off to next time ZooLoo s Book Diary It is a rare book where you find so many incredibly well written well rounded characters The Midnight Review *Tapestries of Hope, Threads of Love* Marjorie Agosin, 2008 *Tapestries of Hope Threads of Love* tells the story of ordinary women living in terror and extreme poverty under General Pinochet s oppressive rule in Chile 1973 1989 These women defied the military dictatorship by

embroidering their sorrow on scraps of cloth using needles and thread as one of the boldest means of popular protest and resistance in Latin America The arpilleras they made patchwork tapestries with scenes of everyday life and memorials to their disappeared relatives were smuggled out of Chile and brought to the world the story of their fruitless searches in jails morgues government offices and the tribunals of law for their husbands brothers and sons Marjorie Agos n herself a native of and exile from Chile has spent more than thirty years interviewing the arpilleristas and following their work She knows their stories intimately and knows too that none of them has ever found a disappeared relative alive Even though the dictatorship ended in 1989 and democracy returned to Chile no full account of the detained and disappeared has ever been offered Still many women maintain hope and continue to make arpilleras both in memory and as art This new edition of the book updated for students includes a reaction to the death of General Pinochet a chronology of Chile several new testimonies from arpilleristas in their own words and an introduction by Peter Kornbluh It retains a section of full color plates of arpilleras an afterword by Peter Winn and a foreword by Isabel Allende Students and interested readers will find the arpilleras beautiful moving and ultimately hopeful and the testimonies a powerful way to learn about the history of contemporary Latin America and the arpillera movement in Chile
