Arcane Chaos Joey W. Hill, 2022-06-15

When Death pays a visit to Ramona's shop, it seems only polite to invite him in. Particularly when he has intense green eyes and can kiss like that. A Grim Reaper knows how and when every living thing will die. But Silas can't see Ramona's death. It's one of many reasons the Chaos witch intrigues him. But when a dire threat to a single soul calls him away, it reveals something is out to destroy the order of life and death in the world. The only one who might be able to help him untangle the snarl of Fates' loom might be the woman whose power, the very make of her soul, is the antithesis of order. If they survive the evil that wants to destroy everything that matters to them both, Ramona wonders if she's finally found the male who won't run from who and what she is. Suddenly, the term Death is the only certainty in life; isn't a threat, it's a promise.

VAMPIRE QUEEN IS BOOK 2 OF THE EXCITING, SIZZLING, AND THRILLING VAMPIRE WITCH TRILOGY. WHAT READERS ARE SAYING: I waited anxiously for this continuation, and it was amazing. I loved Casey and how strong she was. This book had so much more going on in it than the first, I think. A lot of secrets came to light that shocked me. There was also a lot of mystery and deceit. I couldn't put this book down once I started it. I don't want to give away any spoilers, so I will give a brief overview as best I can. This book picks up right from where *Vampire Witch* left off. In book two of this series, we catch back up with Casey. We get a quick update as to what has happened since the end of the last book, or maybe it's a refresher as to what happened at the end of the first book. I think I really like Gwendoline, Geo, and Luthias' grandmother a lot.

She's a card When an old woman tells you that you do not have to pick between two men that's just funny Very progressive for an old woman I am already hoping there is a third book to this series and I will say no more You must read the first book then this one for it all to make sense Pretty much picking up where Vampire Witch left off this wonderful continuation draws you right in If you loved the first book in the series be prepared for another amazing read I actually enjoyed this book more than the first This book is amazing Once you start reading you won't be able to put it down and you won't want to put it down There are so many twists and turns when you think you have things figured out everything changes Luthias is more prominent in this book and it was great getting to know know him better There were times I wanted to slap Casey and just ask her why Lol Vampire Land is the main focal point and there are a few new characters there that are great and well developed All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of Casey Geo and Luthias or her just trying to figure out how to become a vampire queen Casey really goes through some major struggles this story and I really liked how she grew as a person the entire story Bound by the Vampire Queen Joey W. Hill, 2017-09-13 Book VIII of the Vampire Queen Series Sworn to obedience compelled by loyalty and threatened with damnation for betrayal Jacob entered Lady Lyssa's servitude as a human servant Now he is a vampire but still bound to Lyssa who has found herself struggling with the capricious powers that have come alive in her paternal Fae blood and challenged by two enemies While the Vampire Council threatens to take away Lyssa and Jacob's newborn son the Fae Queen has ordered Lyssa to appear before the Otherworld court to face inescapable charges The Fae have nothing but contempt for vampires but to serve her protect her nourish her and pleasure her Jacob will follow his lady into hell itself No one neither Fae nor vampire will compel him to break the oath he made to serve a vampire queen forever
