**The Art Dealer's Apprentice** David Guenther,2024-03-05 The Art Dealer s Apprentice tells the story of how the author moved to New York in 1989 as a young Midwesterner found a job at an Upper East Side gallery and became the prot g of Carla Panicali an Italian countess and major international art world figure From Carla an extraordinary woman whom he

deeply admired the author learned to navigate the treacherous waters of authenticity power and money in the art business and his own life As gallery director he gradually piloted the gallery through a sea of fakes frauds and unscrupulous colleagues competitors collectors and experts until the art market crashed and in the ensuing crisis in the increasingly money driven art world of the 1990s he came to question even the authenticity of his friendship with Carla In *The Art Dealer's Apprentice* the author recounts how he learned the New York art business from the inside including the roles of dealers auction houses runners collectors and experts the personal histories of famous artists and the art historical importance and salability of their work and how paintings and sculptures were or were not authenticated and sold often based surprisingly on factors having little to do with the artwork itself The author also details how international business was done in some cases through illicit transport of artworks payoffs to experts and Swiss bank accounts Increasingly disillusioned the author ultimately concludes that by the early 1990s the art business was no longer really about art

**Incarceration and Health Care** Tamara White, 2024-10-02 There is a lack of control that exists when managing a chronic illness just as there is a lack of autonomy when one finds themselves living within the confines of a correctional facility How does one address these two precarious circumstances when they collide Research has revealed that incarcerated populations have a higher rate of infectious disease and chronic health issues than their non incarcerated counterparts How is this reality translated in a way that others might understand As an avenue to gain a new perspective this book provides a glimpse into the world of incarceration and health care management using art to translate this experience Activist art is effective and powerful for both the audience and the creator By revealing the reality of living with a chronic illness and how social determinants of health significantly impact one's status and start in life art holds the power to shift perspectives and deepen understandings not only of health care and incarceration but also to agitate for societal changes

**Psychological Perspectives on Radicalization** Allard Feddes, Lars Nickolson, Liesbeth Mann, Bertjan Doosje, 2020-05-26 This innovative book examines radicalization from new psychological perspectives by examining the different typologies of radicalizing individuals what makes individuals resilient against radicalization and events that can trigger individuals to radicalize or to deradicalize What is radicalization Which psychological processes or events in a person's life play a role in radicalization What determines whether a person is resilient against radicalization and is deradicalization something that we can achieve This book goes beyond previous publications on this topic by identifying concrete key events in the process of radicalization providing a useful theoretical framework that summarizes the current state of the art research on radicalization and deradicalization A model is presented in which a distinction is made between different levels of radicalization and deradicalization with key underlying psychological needs discussed the need for identity justice significance and sensation The authors also describe what makes people resilient against messages from the outside world when they belong to an extremist group and discuss observable events which may trigger a person to radicalize further or to deradicalize Including real world examples and clear

guidelines for interventions aimed at prevention of radicalization and stimulation of deradicalization this is essential reading for policy makers researchers practitioners and students interested in this crucial societal issue *Van Gogh - 2015* TASCHEN,2014-08 A Van Gogh a day TASCHEN Tear off Calendar Van Gogh 2015 Enjoy a van Gogh gallery on your desktop From starry nights to sweeping scenes of Arles see the year through with one of art history s most important if all too belatedly recognized masters About the Series The TASCHEN Tear off Calendar on your desk 365 days a year Sumptuous color images a big and bold dateline and all international holidays make this an indispensable addition to your desktop Comes complete with stand and in a presentation box Pad on tray Gift box 320 calendar pages 314 illustrations All international holidays included Arts and Activities ,1953 **Vincent Van Gogh Calendar** teNeues Publishing Company,2001-07-01 *Vincent Van Gogh 2025 Wall Calendar* Vincent Van Gogh,2024-08-15 *The Reporter* Max Ascoli,1963 **Saturday Review** ,1963 The Reporter ,1963-07 Vincent Van Gogh Wall Calendar 2021 (Art Calendar).
