Jowan A. Mohammed

These Modern Women Autobiographical Essays From The Twenties Second Edition:

Made to Play House Miriam Forman-Brunell,1993-01-01 As an illustrated social history of the American doll industry this book describes how dolls and doll play changed over time from Gilded Age fashion dolls which inculcated formal social rituals to the realistic baby dolls of the 1920s fostering girls maternal impulses **Routledge Library Editions: Utopias** Various,2021-11-01 Routledge Library Editions Utopias 6 volume set contains titles originally published between 1923 and 1982 It includes volumes focusing on Utopian fiction both as a genre in its own right and also from a feminist perspective In addition there are sociological texts that examine the history of Utopian thought from the writings of Plato and beyond as well as specific examples of people who have tried to create Utopian communities *Tradition and the Talents of Women* Florence Howe,1991 **These Modern Women** Elaine Showalter,1989 B B B In 1926 and 1927 the Nation published 17 anonymous essays by women active in professional and public life The editor s objective was to discover the origin of their modern point of view toward men marriage children and jobs In her introduction Elaine Showalter discusses the issues raised from alcoholism to celibacy from mother daughter relationships to politics and identifies and examines the lives of the authors among whom are Crystal Eastman Mary Austin and Genevieve Taggard

Mary Hunter Austin: A Female Writer's Protest Against the First World War in the United States Jowan A. Mohammed,2021-09-07 Mary Hunter Austin 1868 1934 is often referred to as an important American writer of the early decades of the 20th century with much of her work concerning nature and Native American culture Hunter Austin was also considered to be one of the early feminist writers whose works had an impact on the redefinition of gender roles during the First World War This study examines the feminist perception of her later years connecting feminist history to questions related to memory through a study of literature politics and interpretations of the past both feminist and gendered It demonstrates how far the perception and remembrance of the past are determined by later agendas and considerations This work is an insightful and detailed study meant to expand knowledge within the field of collective memory about Mary Hunter Austin s life and work alike This book is intended for those with a general interest in feminism socialism World War One and gender issues Academics and specialists in the field will value new research on a crucial figure in American literary history **Female Adolescence in American Scientific Thought, 1830-1930** Crista DeLuzio,2007-09-23 In this groundbreaking study Crista DeLuzio asks how scientific experts conceptualized female adolescence in the nineteenth and early twentieth centuries Revisiting figures like G Stanley Hall and Margaret Mead and casting her net across the disciplines of biology psychology and anthropology DeLuzio examines the process by which youthful femininity in America became a contested cultural category Challenging accepted views that professionals invented adolescence during this period to understand the typical experiences of white middle class boys DeLuzio shows how early attempts to reconcile that conceptual category with femininity not only shaped the social science of young women but also forced child development experts and others to reconsider the idea of adolescence itself DeLuzio s

provocative work permits a fuller understanding of how adolescence emerged as a crisis in female development and offers insight into why female adolescence remains a social and cultural preoccupation even today **Real Men Don't Sing**
Allison McCracken,2015-09-17 The crooner Rudy Vall e s soft intimate and sensual vocal delivery simultaneously captivated millions of adoring fans and drew harsh criticism from those threatened by his sensitive masculinity Although Vall e and other crooners reflected the gender fluidity of late 1920s popular culture their challenge to the Depression era s more conservative masculine norms led cultural authorities to stigmatize them as gender and sexual deviants In Real Men Don t Sing Allison McCracken outlines crooning s history from its origins in minstrelsy through its development as the microphone sound most associated with white recording artists band singers and radio stars She charts early crooners rise and fall between 1925 and 1934 contrasting Rudy Vall e with Bing Crosby to demonstrate how attempts to contain crooners created and dictated standards of white masculinity for male singers Unlike Vall e Crosby survived the crooner backlash by adapting his voice and persona to adhere to white middle class masculine norms The effects of these norms are felt to this day as critics continue to question the masculinity of youthful romantic white male singers Crooners McCracken shows not only were the first pop stars their short lived yet massive popularity fundamentally changed American culture **Sources for**

American Studies Jefferson B. Kellogg,Robert Harris Walker,1983-04-29 American Studies Topics and Sources Greenwood Press 1976 indexed notable essays in American studies written through 1976 that appeared in American Studies International the foremost journal in the field The present volume Sources for American Studies edited by Jefferson B Kellogg and Robert H Walker is a companion and supplement to the earlier work indexing and discussing subsequent articles through 1982 and updating those included in the first volume Sources for American Studies is organized in two parts The first contains bibliographical essays published since 1976 by specialists in Afro American studies architectural history detective fiction economic history folklore foreign policy historiography immigration journalism linguistics military history music national character philosophy poetry and the supreme court Part II is the supplement to Topics and Sources and includes materials designed to make current the essays that appeared in the earlier volume Cumulative title and author indexes cover both parts of this volume *The Sexual Politics of Meat* Carol J.
