### **This Flowing Toward Me A Story Of God Arriving In Strangers:**

**This Flowing Toward Me** Marilyn Lacey, 2009 What began as a response to a random bulletin board posting would ultimately challenge Sister Marilyn Lacey's life and the life of countless refugees Nhia Bee along with his wife and five children had been placed for a few weeks at her convent upon arriving in California from a refugee camp in Thailand When the family was moved to permanent housing Sr Lacey realized to her own surprise just how much the family had lodged itself in her heart Not long after she had a dream that changed the course of her life Back cover *Finding God Abiding* Christine Marie Eberle, 2022-06-07 Through four weeks of daily meditations *Finding God Abiding* identifies movements that run like threads through the story of our lives We awaken to the world around us discover and rediscover our path practice love in its many forms and grieve the loss of much that we hold dear Gazing too closely at the tangled strands and frayed knots of our false starts and failures often we see just the back of the tapestry and one square inch at a time Only God beholds it whole not a random collection of short stories but one great narrative of grace at work Drawing on the author's thirty years in ministry and her Jesuit education each meditation contains a true story a nugget of spiritual insight thought provoking questions and a memorable Scripture quote The recollections are simple biting into a juicy peach mending a broken pipe weeping over a parent's death These common experiences invite the reader to consider their own story and discover there the God who abides as the one constant in a life marked by ceaseless change **Connections: Year C, Three-Volume Set** Joel B. small moments that adorn our days that escort us through the year With each reflection we shift beyond the immediate moment to see the timeless truths within including choosing to hold on to hope trusting how God speaks to us and how we experience the Divine and recognizing that there is always something for which to be grateful Whether we need to be reminded of important truths or to experience moments of tranquility in a life of nonstop distractions Rupp's *Return to the Root* offers us space to explore the beauty of the world and hold onto those things that sustain our beings and as the apostle Paul wrote keep us rooted and grounded in love
