**This Present Danger** D. G. McMillion Jr, 2013-04-01 This Present Danger is a Prophetic look into the present day church structure verses the Church that Jesus purchased with His own blood Gods wisdom verses the wisdom of man a look at why the Power of the Bible for today is in a weakened state What we should be doing as Believers [The Preacher's Complete Homiletical Commentary on the Old Testament: Minor Prophets](#), 1892 *Homiletical Commentary on the Minor Prophets* James Wolfendale, 1879 [The Expositor's Bible: The Book of the Twelve Prophets, Vol. I](#) George Adam Smith, 2020-08-13 Reproduction of the original The Expositor's Bible The Book of the Twelve Prophets Vol I by George Adam Smith

[Prophets of Deceit](#) Leo Lowenthal, Norbert Guterman, 2021-04-06 How authoritarian and racist discourse functions A classic book that analyzes and defines media appeals specific to American pro fascist and anti Semite agitators of the 1940s such as the application of psychosocial manipulation for political ends The book details psychological deceptions that ideologues or authoritarians commonly used The techniques are grouped under the headings Discontent The Opponent The Movement and The Leader The authors demonstrate repetitive patterns commonly utilized such as turning unfocused social discontent towards a targeted enemy The agitator positions himself as a unifying presence he is the ideal the only leader capable of freeing his audience from the perceived enemy Yet as the authors demonstrate he is a shallow person who creates social or racial disharmony thereby reinforcing that his leadership is needed The authors believed fascist tendencies in America were at an early stage in the 1940s but warned a time might come when Americans could and would be susceptible to the psychological manipulation of a rabble rouser A book once again relevant in the Trump era as made clear by Alberto Toscano's new introduction [The Price of Peace](#) A. Millgram, 2022-05-06 This book examines the tales of three remarkable figures of the biblical world the tragic prophet Jeremiah and the two atypical prophets Jonah and Balaam Jeremiah was cursed from birth and condemned to a lifelong losing battle against national disaster Jonah was notorious for his connection with a whale whereas Balaam was best known as the owner of a talking donkey Yet these prophets servants of their deity are portrayed as rebels against their god This book contends that these tales beyond their intrinsic appeal as stories were written to serve as metaphors Although set in ancient times and in the exotic Near East the issues that underlie these gripping tales are not unfamiliar to modern times and Western lives These

prophets represent everyman and these unusual dramas explore the phenomenon of revolt against restrictive conditions and against authority     *Mennonite Life* Cornelius Krahn, 1982     **Conference on Perpetuation of Judaism** Union of American Hebrew Congregations.
