

This is Our Youth
By Kenneth Lonergan

Warren:

I don't really get what you're upset about. I thought we had a really good time together and I was actually in a fairly Up state of mind for once.

Well, I didn't mean that in any kind of lascivious way, so I don't know why you want to take it like that. I really like you.

I'm sorry I said anything to Dennis. I definitely caved in to the peer pressure. But I also definitely said as little as possible and was totally respectful of you in the way I talked about you. Even though I was pretty excited about what happened last night, and also about like, maybe like, the prospect of like, I don't know, like going out with you — Which I would be very into, if you were. But if you want to think the whole meant nothing to me, then go ahead because that's not the case.

It's totally weird, like, taking all your clothes off and having sex with someone you barely know, and then being like "What's up now?" You know? Like it's such an intense experience but then nobody knows what to fuckin' say, even though nothing really bad actually happened. You know?

I really like you... I don't really agree with most of your opinions...but I don't meet a lot of people who can actually make me think, you know? And who can hold their own in an interesting discussion. And who I'm totally hot for at the same time. You know?

It's a fairly effective combination.
