Three Thousand Stitches:

Three Thousand Stitches Sudha Murty, Na, An, 2017 **Three Thousand Stitches** Sudha Murty, 2017-07-14 So often it is the simplest acts of courage that touch the lives of others Sudha Murty through the exceptional work of the Infosys Foundation as well as through her own youth family life and travels encounters many such stories and she tells them here in her characteristically clear eyed warm hearted way She talks candidly about the meaningful impact of her work in the devadasi community her trials and tribulations as the only female student in her engineering college and the unexpected and inspiring consequences of her father's kindness From the quiet joy of discovering the reach of Indian cinema and the origins of Indian vegetables to the shallowness of judging others based on appearances these are everyday struggles and victories large and small Unmasking both the beauty and ugliness of human nature each of the real life stories in this collection is reflective of a life lived with grace

Three Thousand Stitches Sudha Murty, 2015-01-24 A heart warming tale of courage and conviction from India's biggest selling woman author Two decades ago when Sudha Murty approached a group of devadasis for the first time determined to make a difference to their lives they threw a chappal at her Undeterred she went back telling herself she must talk to the devadasis about the dangers of AIDS This time they threw tomatoes But she refused to give up The Infosys Foundation worked hard to make the devadasis self reliant to help educate their children and to rid the label of the social stigma that had become attached to it Today there are no temple prostitutes left in the state of Karnataka This is the powerful inspirational story of that change initiative that has transformed thousands of lives
