Tok Trending Box Office Update:

TikTok Broadway Trevor Boffone, 2024 *TikTok Broadway Musical Theatre Fandom in the Digital Age* explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app expanding musical theatre into a purely digital realm that spills into other non digital aspects of U S popular culture **Box Office**, 1953 **Boys**

Love Media in Thailand Thomas Baudinette, 2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men *Boys Love Media in Thailand* Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL s impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand s BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures *Bring It On* Kase

Wickman, 2022-12-06 Featuring dozens of interviews with the cast and crew fans of the franchise film scholars former and current cheerleaders fellow filmmakers and more Gabrielle Union Kirsten Dunst and Eliza Dushku have all risen to fame since their performances in the original cheer classic but boldface names like Solange Knowles Rihanna Hayden Panettiere Ashley Tisdale and more also appeared in *Bring It On* films The first time director who helmed the movie Peyton Reed now has multiple Marvel smash hit films under his belt Not bad for a movie that almost didn t get greenlit in the first place but went on to win the box office its opening weekend gross more than 90 45 million worldwide and spawn a half dozen sequels a Tony nominated musical and a whole new genre of female led films With the support of the filmmakers and producers author and pop culture expert Kase Wickman accessed Universal s archives and conducted new interviews with cast crew and more for a full reveal of all the stories fans will love in this complete history and examination of the legacy of the greatest cheerleading movie almost never made Beyond its 20th anniversary the legacy of *Bring It On* endures It s time we all understood how it changed like everything **The Economics of the Popular Music Industry** Christie Byun, 2024-04-29

This book uses economic theory to explain how consumers and producers have responded to major changes in the music industry. Byun examines the important role of technology in changing its structure, particularly as new methods of creating and accessing music prove to be a double-edged sword for creators and producers. This second edition includes new information about concert attendance and live performance in the COVID era and what followed, as well as the resultant economic impacts on the industry. Throughout the book, Byun questions how the business of music affects creativity and the extent to which this impacts the creative output of the individual artist. Chapters also address copyright enforcement and online piracy. This is an approachable resource for economists interested in the music industry, as well as business and music majors studying the ways in which technology can impact a creative process.

The ^AOxford Handbook of the Disney Musical Dominic Broomfield-McHugh, Colleen Montgomery, 2025-03-28 The Oxford Handbook of the Disney Musical both celebrates and critiques one of the most enduring global phenomena and considers many of the studio's most popular animated films, as well as Disney's extraordinarily rich activities such as video games, theme parks, and television. By using new insights from the archives and bringing together a range of disciplinary perspectives, the Handbook presents an accessible but rigorous exploration of a century of cultural impact of the Walt Disney Company. **Truth**, 1895

Unexpected Box Office Hits Ethan Parker, AI, 2025-03-29 *Unexpected Box Office Hits* explores the captivating phenomenon of films that defy expectations and achieve unexpected financial success even with limited resources. It delves into the art of film marketing, dissecting how targeted campaigns and viral word of mouth can transform a low-profile movie into a major hit. One intriguing aspect examined is how some films connect with audiences on a deeper level, tapping into cultural trends and resonating with specific demographics, thus proving that big budgets and established stars aren't always necessary for box office triumph. The book challenges conventional wisdom within the movie industry, emphasizing that innovative niche films can flourish with effective marketing and distribution. By analyzing case studies of films that defied expectations, the book explores how audience reception and strategic timing play crucial roles. Moreover, it highlights the influence of social media and online communities in shaping audience perceptions. The book progresses by first defining unexpected box office hits and then analyzing specific examples culminating in a framework for potentially replicating the conditions that lead to such triumphs. This book distinguishes itself by taking a data-driven approach, combining box office data with qualitative insights from industry professionals in the film business. It offers practical insights for film students, independent filmmakers, and marketing professionals, empowering them to make informed decisions and potentially increase their chances of success in the competitive movie industry.
