[Sell Results, Not Features Or Functions: Outcome-Based Offers That Drive Higher Sales](#) Simon Schroth, 2025-04-23

Customers don't buy features they buy results. *Sell Results Not Features Or Functions* teaches you how to shift your sales messaging to focus on the outcomes your customers will experience, leading to higher sales and more satisfied customers. This book shows you how to position your products or services by emphasizing the benefits and results that customers will get rather than just listing features. You'll learn how to craft messaging that speaks directly to your audience's desires, how to communicate the transformation your product provides, and how to build trust with prospects. The book also covers how to use social proof, testimonials, and case studies to demonstrate the effectiveness of your offers. If you want to increase sales by focusing on results rather than features, *Sell Results Not Features Or Functions* gives you the tools to craft outcome-based offers that convert.

Knowing Nichelle Tinsley Sellers, 2019-08-16. She's just met the man of her dreams, but he's not who she said he was. Neither is she. Until they get a second chance to make a first impression. Is he a sophisticated big city lawyer or an easygoing small town woodworker? And if she's not a career-driven high-powered attorney, then who is she? Can Buck and Nichelle find trust enough to discard their masks and discover just how alike and in love they really are? He's only got one rule: no lawyers. She's a lawyer. Burned by experience, Buck's got a rule for a reason. After walking away from a lucrative legal position, he's found peace in Beckley. Farm life is simple, and his woodworking business is thriving. He's not interested in trading his work boots for wingtips and rejoining the rat race. He's ready to settle down, and she's the most compelling woman he's ever met. Even if she is a lawyer. She's only got one requirement: no holes. He's an a-hole. After a disastrous encounter in a trendy bar, Nichelle is convinced that he's a bulky mass of beard and bad attitude. She's got a sleek car, luxurious condo, and elegant designer clothes. Family comes first, and her legal career is on the fastest track. She's never met a problem she needed help solving, but he sees the painful truth beneath her polished facade. Even if he is an a-hole, they're perfect together. They just don't know it yet. Welcome to the small town world of Beckley, Michigan. The two-lane roads are long and winding; the many lakes are cool and blue; and the dense forests are green and shaded. Summer gives way to russet autumn, and fall becomes icy winter. The weather's getting colder, but things are heating up for all your favorite characters. The people are warm, friendly, smart, funny, and very, very real. When you need a place to call home, Beckley welcomes you, and sometimes the family you choose is as strong as the bonds you're born with. If you like small-town romance, you'll like Beckley. If you like smart heroines who balance demanding professional careers with a commitment to family, friends, and finding love, then you'll definitely like it here. If you like strong, sexy, hard-working heroes who have not-so-secret soft spots for kids, dogs, and classic cars, you may find that you never want to leave. *Knowing Nichelle* is the third in the Beckley's Daughters Romance series. It can be read as a stand-alone story, but continuing readers will recognize many of the characters and locations. This series is recommended for adult readers and contains explicit language and intimate situations.

[Accepting Aerin](#) Tinsley

Sellers,2018-11-16 Former Chicago Cubs third baseman Chet Coakley needs a quiet place to write the last novel in his best selling series When a freak accident ends his baseball career Chet finds his second chance writing a series of retro detective novels He's on a deadline and can't afford a distraction especially not in the form of a vivacious blonde innkeeper who challenges everything he believes about himself Professional chef Aerin Buckholtz owns a vintage lodge and fifteen cabins on a secluded lake in the Michigan woods Betrayed by her best friend and self conscious about her appearance Aerin believes that romance isn't meant for her She's building her business and working to earn good reviews seems safer than admitting her attraction to a handsome former athlete who feels far out of her league Can Aerin and Chet learn to see themselves through each other's eyes and accept a love neither one saw coming

Healing Heather

Tinsley Sellers,2018-07-20 She's going 120mph in a 65 zone and if driving even faster could change history Professor Heather Harris would floor it She's on a collision course with Sergeant Brian Daniels a state trooper determined to slam the brakes on his own heartache In one short year Heather Harris has lost it all her family her fianc her home her job Everything but her pride and her unmistakable purple muscle car Summer break at the lake cottage she inherited from her grandparents should provide the solitude and reflection she craves but she soon finds that no matter where she goes there he is the state trooper whose passion for fast cars won't stop him from enforcing the speed limit Brian Daniels embraces his small town slow paced lakeside life After years of heartbreak at the hands of his first love he's finally free A gorgeous brunette fast driving and karaoke singing physics professor offers an exciting diversion Opposites attract but the sudden appearance of a blonde on a Harley threatens to throw a monkey wrench in the works Will the promise of the future be stronger than the pull of the ghosts from his past
