It is the essential guide to finding scholarships when your grades suck. Author Felecia Hatcher has dedicated her life to motivating young people to look past their circumstances and get creative. As a C student herself in high school, Hatcher beat the odds and won over 100,000 in scholarships to attend college. Inside you'll find secrets and techniques needed to apply for hundreds and thousands of dollars in scholarships and grants to compete with straight A students. Insightful, resourceful information to help you achieve college and scholarship success. Step by step guidance to turn hidden talents and unique strengths into cash for college. Personal testimonials from C students who found their way to success. Advice on requesting letters of recommendation and working with recommenders.
