Boyd, Lisa F. Mallonee, Charlotte J. Wyche, Jane F. Halaris, 2020-01-22 Staying true to Esther Wilkins pioneering vision that made her best selling text the Bible for dental hygienists Wilkins Clinical Practice of the Dental Hygienist Thirteenth Edition progresses through crucial topics in dental hygiene in a straightforward format to ensure students develop the knowledge and skills they need for successful evidence based practice in today s rapidly changing oral health care environment This cornerstone text used in almost every dental hygiene education program in the country has been meticulously updated by previous co authors Linda Boyd and Charlotte Wyche and new co author Lisa Mallonee to even better meet the needs of today s students and faculty while reflecting the current state of practice in dental hygiene Maintaining the hallmark outline format the Thirteenth Edition continues to offer the breadth and depth necessary not only for foundation courses but for use throughout the entire dental hygiene curriculum **N.A.C.A. Bulletin** ,1929 *Leadership for Sustainability* David Dixon, 2022-03-17 Mobilised by the rousing words and protests of Greta Thunberg young people all over the globe are calling for more action to combat climate change and better protect their futures Yet they cannot do this alone They are reliant on people in positions of power to set the necessary changes in motion and these people include their own school leaders operating within their own local communities This book is a rallying cry for all schools to unleash their potential to deliver a brighter future for both their pupils and society at large David Dixon draws on both his doctoral research and his 20 years experience as a head teacher to set out how school leaders can embed eco friendly practices in the day to day running of their schools that will also contribute to overall school improvement including that recognised by inspectors David weaves his guidance around the five Cs of sustainability captaincy curriculum campus community and connections to position sustainability as a natural vehicle for developing a type of fully integrated learning ecology and culture for the benefit of all The book provides a detailed analysis of where we are now in terms of environmental impact and lays out a road map to help schools move towards more effective eco friendly provision It shares

practical examples of sustainability in schools and how these contribute to school improvement in the wider more conventional sense too Furthermore each chapter concludes with a series of suggested strategies to encourage further thought and discussions among school stakeholders Suitable for school leaders teachers and teacher trainers in both primary and secondary settings and for any professionals who work in schools on environmental education or improvement projects
