Venus in Furs is a story by the Austrian novelist Leopold von Sacher Masoch and it is the best known of his works The fiction was to be part of an epic list that Sacher Masoch envisioned and called Legacy of Cain The novel describes themes like female dominance and sadomasochism and character inspiration heavily from Sacher Masoch s own life Wanda von Dunajew the book s central female character was modeled after Fanny Pistor that was an emerging writer They met when Pistor contacted Sacher Masoch under feigned name and fictitious title of Baroness Bogdanoff for recommendations on improving her writing to make it suitable for publication The framing story involves a man who dreams of speaking to Venus regarding love while she wears furs The unnamed storyteller tells his thoughts to a friend Severin who tells him how to break himself of his fascination with the evil women by reading a manuscript Memoirs of a Supersensual Man This manuscript is the story of a man Severin von Kusiemski who is so obsessed with a female Wanda von Dunajew that he requests to be her slave and urges her to treat him in progressively more humiliating ways At first Wanda does not accede to the request but after humoring Severin a bit she discovers the advantages of the method to be interesting and enthusiastically welcomes the idea although at the same time she despises Severin for allowing her to do so Severin describes his feelings during these experiences as suprasensuality Severin and Wanda travel to Florence Along the way Severin takes the general Russian servant s name of Gregor and the performance of Wanda s servant In Florence Wanda treats him mercilessly as a domestic and recruits a trio of African women to dominate him The connection arrives at a crisis when Wanda meets a man to whom she would like to control a Byronic hero known as Alexis Papadopolis At the end *Venus in Furs* Leopold von Sacher-Masoch,2009

DIVSeverin is a young Galician nobleman with a secret he can only love a woman with a ruthless heart who will rain her whip upon him in a shower of bloody kisses When he meets Wanda the wealthy and beautiful widow living in the apartment upstairs he wonders if she might be the one to help him realize his darkest desires But Wanda is better than she ever dreamed possible at domination and soon Severin realizes he is powerless to escape what he has begun Here fantasy and reality writhe together in a ceaseless fraught embrace First published in 1870 the author defined and unwittingly gave his own name to that sexual proclivity we know as masochism in this understated charged erotic classic DIVDIVDIVLeopold Von Sacher Masoch was an Austrian writer of fiction and short stories whose masterpiece inspired a famous song of the same name by The Velvet Underground and continues to be referred to as a defining work within the realm of erotic literature
