text presents the theories and concepts of aging the physiologic and psychosocial changes and problems associated with the
process and appropriate nursing interventions With its easy to read clear writing style this text provides exactly the right
depth and breadth of geriatrics content for LPN LVNs Clear concise consistent writing throughout Nursing Process section in
appropriate chapters provides a strong framework for the discussion of the nursing care of the elderly patient as related to
specific disorders Essential ethical and legal issues are presented as they relate to end of life care restraints and elder abuse
Clinical Situations provide individualized cases for students to study and learn from Nursing Interventions are grouped
according to health care setting to make it easier to determine the appropriateness of individual interventions for different
patient populations All in one Student Activities workbook is included in a perforated section at the back of the book and
includes NCLEX style multiple choice questions as well as the new NCLEX style questions short answer and fill in the blank
to help students review chapter content and prepare for the NCLEX exam answers are found in the Instructor's Resource
Manual New chapter on end of life care addresses essential content for both institutional and the home setting including
information on palliative and hospice care pain management and how belief systems affect the dying person and caregivers
Delegation leadership and management content is integrated throughout to address the changing role of LPN LVNs
Delegation Considerations boxes address such topics as restraints elder abuse and end of life care as related to
responsibilities of nursing assistants and other health care workers who are supervised by LPN LVNs Second color added to
the design adds visual appeal and helps to emphasize key content Cultural Considerations boxes help students understand
how to provide culturally sensitive patient care Complementary and Alternative Therapy boxes address popular therapies
that are used in pain relief and other treatments Patient Teaching boxes instruct and inform both elderly patients and their

caregivers about health promotion prevention and age specific interventions Critical Thinking boxes pose questions designed to stimulate thought and help students develop and improve their ability to think critically **Official Florida Statutes** Florida,2005 **Long-term Care Administration** Aspen Reference Group (Aspen Publishers),1992 This single up to date resource offers practical and proven guidelines checklists and procedures that can be readily applied to any of the long term care administrative needs Among the major subjects covered are budgeting and financial management marketing and public relations cost containment and reimbursement information management human resources management quality assurance and safety risk management law and ethics and much more **Direct Marketing** ,1972 **Nutrition Care of the Older Adult** Kathleen C.
