*The Return of Russia* James Rodgers, 2026-01-27 An incisive and engaging account of post Soviet Russia showing how and why the country has come into confrontation with the West. The escalation of Russia's invasion of Ukraine in February 2022 triggered the most violent conflict seen on European soil for decades. Millions of people have been displaced and thousands killed. As the conflict continues many in the West are seeking to understand why Putin has followed his ambitions to such extreme ends. James Rodgers examines the development of Russia's relationship with the West from the collapse of the Soviet Union in 1991 to the present day. Rodgers argues that while Putin has long distrusted the West, Western policies have made the situation much worse. He shows that Putin's political career with its transformations from supportive ally to implacable critic of the West has been the defining influence on Russia's place in the contemporary world. Following the invasion of Ukraine, the West needs to develop a new understanding of Russia's views and possible actions rather than simply ignoring them as has been the case since the end of the Cold War.

*Designated Disrupter* Troy Anderson, 2026-01-06 Revival isn't coming how you expect it's coming through the most unexpected voices of our time. In this book you will learn how God is using unconventional leaders and cultural icons to spark a global awakening and how you can partner with Him to see revival in your nation. America is facing what many call a Nineveh moment, a pivotal opportunity to turn back to God or plunge into moral and societal collapse. In *Designated Disrupter*, Pulitzer Prize nominated journalist and bestselling author Troy Anderson explores how figures like Donald Trump, Tucker Carlson, Jordan Peterson, Russell Brand and other unlikely influencers are igniting a spiritual revolution. Blending prophecy, politics and historical precedent, Anderson issues a prophetic call for national repentance and revival. Drawing from biblical insight, exclusive interviews and movements like The Return and the Asbury Revival, he reveals how today's chaos is the perfect setup for the next Great Awakening. In this book you will discover how God uses controversial and secular figures to spark revival. Learn historical and prophetic parallels between ancient Nineveh and modern America. Be equipped with practical strategies for prayer, fasting and cultural transformation.

Understand your role in partnering with God to bring spiritual awakening to your generation.
