The Outsiders - Literature Kit Gr. 9-12 Sarah Joubert, 2013-08-28 Delve deep into a world of socioeconomic differences and the tragic outcome of this conflict. A variety of activities keep students on their toes and practicing reading skills. Explore the themes of prejudice and social conventions and the part they play in a community. Explain Johnny's transformation through the eyes of Ponyboy. Answer multiple choice questions about Johnny and Ponyboy's time in the church. Match difficult vocabulary words to their meanings. Imagine interviewing Ponyboy about his actions while saving the trapped kids in the burning church. Explain how Cherry describes the duality of Bob. Imagine an alternate version of the story from the point of view of the Socs in which it was one of the Greasers who were killed in the fight. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel: *The Outsiders* is the classic coming-of-age story about two social groups in 1960s Oklahoma. The Greasers and the Socs are rival social groups who engage in petty fights around town. Ponyboy and his friends are Greasers and get jumped by the Socs regularly. One night after leaving a local drive-in, Ponyboy and his friend Johnny get jumped from a group of Socs who have a score to settle. Things go too far and one of the Socs gets killed. Ponyboy and Johnny now find themselves running from the police. After a week hiding out, the pair decide to return and face the consequences of their actions. Things go from bad to worse as the story faces its climax with a final rumble between the Greasers and the Socs. *SCM Studyguide: Liturgy, 2nd Edition* Stephen Burns, 2017-10-30 The *SCM Studyguide Liturgy 2nd Edition* is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated, and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration, notably fresh expressions, as part of a mixed economy of church, encompasses recent revisions in liturgy, and seeks to broaden the engagement beyond the British context to consider the wider global context. *A History of Tourism in Africa* Todd Cleveland, 2021-02-23 An engaging social history of foreign tourists, dreams the African tourism industry's efforts to fulfill them, and how both sides affect each other. Since the nineteenth century, foreign tourists and resident tourism workers in Africa have mutually relied upon notions of exoticism, but from vastly different perspectives. Many of the countless tourists who have traveled to the African continent fail to acknowledge or even realize that skilled African artists in the tourist industry repeatedly manufacture authentic experiences in order to fulfill foreigners' often delusional or at least uninformed expectations. These carefully nurtured and controlled performances typically reinforce tourists' reductive impressions formed over centuries of the continent, its peoples, and even its wildlife. In turn, once back in their respective homelands, tourists' accounts of their travels often substantiate and thereby reinforce prevailing stereotypes of exotic Africa. Meanwhile, Africans' staged performances not only impact their own lives

primarily by generating remunerative opportunities but also subject the continent's residents to objectification exoticization and myriad forms of exploitation Study Guide Diana Kendall,2006-08-21 *The Outsiders* ,2011-03 **Study Guide to Accompany Sociology, an Introduction, Third Edition** Michael S.
