Every Screen on the Planet Emily Baker-White,2025-09-30 The story of the most effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for our information landscape and the technological cold war between the United States and China Emily Baker White's engrossing narrative charts TikTok's rise from obscurity into the world's most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang's products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok's users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government's fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China's Xi Jinping and Trump himself

Hate Follow Erin Quinn-Kong,2024-10-08 A rich and witty story with two complicated women at its heart Hate Follow is a beautiful debut Quinn Kong s story of an influencer mom sued by her resentful daughter is of the moment but its exploration of female power and privilege is timeless Amanda Eyre Ward New York Times bestselling author of Lovers and Liars This riveting thought provoking novel pulls back the curtain on influencer culture to reveal a story of a mother and daughter grappling with what they owe one another as they struggle to navigate life in the glaring public eye Influencer Whitney Golden has it all beautiful photogenic children a handsome new boyfriend a gorgeous house and designer clothes and beauty products that arrive on her doorstep every day After spending years building her brand as a widowed mother of four including twins to over a million followers the thirty seven year old is at the peak of her career But it all comes to a screeching halt when Mia her teenaged daughter announces she s tired of the social media life She wants nothing more

to do with her mother's online brand and demands that not just she but her siblings and their deceased father be removed from Whitney's Instagram blog and just about everywhere else on the internet. When Whitney doesn't agree, Mia does the unthinkable. She sues her mother. What started as a family spat turns into a monumental case about child privacy, individual agency, and modern parenting that shatters Mia and Whitney's relationship and wreaks havoc on both their lives. As the case ignites a media firestorm and unrelenting online bashing from a Greek chorus of internet snarkers, Whitney has to decide whether she's willing to risk everything she's built to win back her daughter.

Writers and Liars

Carol Goodman, 2025-07-15 In the latest thrilling suspense novel from Mary Higgins Clark Award-winning author Carol Goodman, a group of mystery authors gathers on a secluded Greek island for a writers' retreat only to discover that their enigmatic host has been murdered and everyone present is a suspect. They'll kill for inspiration. Fifteen years ago, Maia Gold attended a prestigious and very exclusive writers' retreat hosted by billionaire Argos Alexander on the Greek island of Eris. It's where she wrote her first book, the one that should have launched a brilliant career. But something dark happened on that island: a betrayal that has hung over Maia ever since. Now Maia finds a familiar envelope in the mail. It's an invitation to return to Eris, and according to social media, she's not the only one from that first retreat who's been invited back. This could be the second chance Maia needs to jump start her dreams. A chance for reconciliation or revenge. Almost all of the writers from fifteen years before have returned to Eris, bringing unresolved resentments with them. Soon the guests learn that their illustrious host is absent, though he has left instructions for them to participate in a contest: whoever can write the most suspenseful mystery while on the island will win a fortune and literary acclaim. But this is no harmless game: when the guests gather in the morning to share their first chapters, they find Argos Alexander dead. Tensions simmer as the guests try to determine who's capable of murder, not just on the page but in real life. On an island full of mystery writers, anyone could be the killer, and anyone could be the next victim. Trapped together until the next boat arrives from the mainland, they must sort out old grievances and figure out how to trust one another or die one by one.

Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today

Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller *Jab Jab Jab Right Hook* Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In *Day Trading Attention* Gary offers detailed advice on how small businesses large corporations and

creators can understand what attention is where it is where it's underpriced and how to leverage it. Produce relevant strategic content. Use modern advertising platforms to build brand and grow sales in today's rapidly changing environment.

[Insignificant Others](#) Sarah Jio, 2025-04-01 From New York Times bestselling author Sarah Jio comes a romantic escapist novel following a young woman stuck in a time loop of one day relationships with romantic partners from her past that asks what if you had a chance to say yes to the one who got away. An ingenious and heartfelt love story I absolutely adored this novel. Emily Giffin 1 New York Times bestselling author Lena Westbrook a perfectionist and workaholic has carefully planned and orchestrated every detail of her life. So when her boyfriend of two years breaks up with her on the night she expects him to propose she's heartbroken and confused. Lena flees to her beloved aunt's home on Seattle's picturesque Bainbridge Island to lick her wounds but when she awakens the next morning she is shocked to find herself in Paris in bed with a handsome French man who seems to think that Lena is his wife. From the elegant neighborhoods of Paris to the charming landscape of Kinsale Ireland to the sparkling skyline of New York City and many other unexpected destinations in between each time Lena awakens she finds herself somewhere else with someone else. In each experience she's given a glimpse of what life might have looked like had she chosen the road not taken. And as she becomes more clear sighted about her past decisions Lena begins to wonder were any of these former romantic encounters actually significant. Enchanting and surprising. [Insignificant Others](#) is a lively heartfelt novel that explores the relatable and resonant what ifs of life but most especially love.

[The Cancer Roadmap: Real science to guide your treatment path](#) Dr. Liz O'Riordan, 2025-01-30 What is cancer? What causes it and why do some people get it while others don't? And with so much conflicting information now available who can we really trust for sensible medical advice anyway?

[The Impact of Viral TikTok Trends on Today's Supply Chains](#) Toby Lazear, 2022 The advent of social media has changed the way in which consumers shop drastically and in turn the way in which supply chains function. TikTok due to its unique design has constructed an environment where products can become viral with much more ease than seen on any prior social platform. As a result companies are met with viral videos promoting their products entirely unbeknownst to them and without preparation. Supply chains must be agile to continue to meet customer demand in times when products cannot stay on shelves long enough to be marketed. This thesis serves to advise future companies with recommendations for best practices when it comes to viral products on TikTok. As for the research component much of the information found in the literature review stems from outside sources. The thesis then goes on to cover both case studies and interviews to analyze specific instances of TikTok viral products and the resulting impact on brands that have experienced such shockwaves. Through the research conducted and conversations held conclusions were able to be drawn leading to exposing common pitfalls companies can fall into when dealing with viral products. Trendspotting and social listening constantly are now more important than ever as brands must be able to recognize trends before the public does to change the narrative on their own behalf and prepare behind the scenes from a supply chain perspective. Having open lines of

communication both cross functionally and throughout the supply chain are crucial to ensure strong relationships and ease of flexibility in the event of disruptions. Because of the ever changing and growing platform of the app it is inevitable that more companies will soon be experiencing the same cycle and it is better to know the best practices of preparation than be left playing catch up for years to follow. **A Parent's Guide to TikTok** Axis, 2019-03-01.
