 Grossman,2014-08-01 Today s high performance sports business is more complex than ever before and presents new
 challenges to the industry at all levels Sports organizations are fighting hard for the money and engagement of fans media
 and sponsors while facing unprecedented competition both domestically and internationally The cost of doing business
 continues to rise while traditional revenue streams are under increased pressure In The Sports Strategist Developing
 Leaders for a High Performance Industry authors Irving Rein Ben Shields and Adam Grossman demonstrate that relying too
 much on winning is a losing long term strategy for dealing with these challenges Instead they argue that sports organizations
 must focus on identifying and maximizing key factors that unlike winning can be controlled and shaped By building a more
 well rounded business sports strategists will position themselves and their organizations for sustainable success in the
 industry Blending extensive industry experience and real world case studies with their academic expertise the authors arm
 students with the combination of the necessary tools to help them make better strategic decisions Students will learn how to
 design identities reinvigorate venue experiences manage narratives and maximize new technology in today s connected
 world In addition readers will explore how to implement business analytics build public support and apply ethics in decision
 making These techniques are vital to creating a successful sports organization that is ready to reap the benefits of winning
 when it does happen without having to suffer when it does not The demand for innovative leaders who can address these
 issues and make tough decisions on which challenges to prioritize has never been greater The Sports Strategist is an
 essential resource for anyone looking to thrive in the sports industry *The Official Fantasy Football League Manual* Jim
