Chronicles of Yonkers James Barron Hope, 1864 **Chronicles of Yonkers. [In verse.]**, 1864 *Speaker and Gavel*, 1980 *Early Judaism and the New Testament* Warren Carter, Ariel Feldman, 2025-09-09 The relationship between Early Judaism and the New Testament is a major issue in biblical studies one that has impacted Jewish Christian relations for centuries This impact has often been negative due to troubling misconceptions of both the New Testament and Jewish writings contemporaneous with it Misunderstandings have arisen from inaccurate information religious traditions and anti-Semitism Warren Carter and Ariel Feldman address and correct these misconceptions by engaging with the New Testament and major writings from Early Judaism including the Apocrypha Old Testament Pseudepigrapha and the Dead Sea Scrolls as well as Philo and Josephus The authors emphasize various interactions among these traditions for the purpose of better interpreting the New Testament and importantly avoiding anti Jewish bias This is an ideal supplemental textbook for students of the New Testament as well as interested clergy and laity The text is straightforward and readable and unlike other books on the topic it does not assume prior knowledge of Early Judaism or of New Testament engagement with it Each chapter recognizes troubling misunderstandings that people often have about the interactions between Early Judaism and the New Testament and includes discussion prompts
