Sports Sponsorship John A. Fortunato, 2013-08-14 This book focuses on how the sponsorship of sports works the costs the goals evaluation and selection of the property a sponsor chooses how to activate a sponsorship how to create a brand association public relations and brand image possibilities Anything is possible in a sponsorship it is simply what the sponsor and the property can agree to during their negotiations There is for example the opportunity for product category exclusivity no competing brand at a particular location With the audience being harder to reach because of technology sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer With global sponsorship spending totaling more than 51 billion it is clear that many companies see this as an important promotional communication strategy Instructors considering this book for use in a course may request an examination copy here **SRDS Consumer**
