Joining the Clubs J. Andrew Ross,2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age **The Biggest Book of Hockey Trivia** Don Weekes,2009-12-01 Hockey trivia master Don Weekes has cherry picked more than 800 of his most compelling trivia questions and records to create this authoritative collection Who was the only player to captain Steve Yzerman in NHL play When did a forward or defenseman last tend goal during an NHL game What is the time of the fastest goal from the start of a season opening game Irreverent captivating and
