

STAR CRAFT

The cover art for StarCraft Frontline Band Zwei depicts a dramatic battle scene. In the foreground, two Protoss units, a Dragoon on the left and a Dragoon on the right, are shown in profile, facing each other. They are blue and black with glowing white eyes. In the background, a large, dark, multi-tiered structure, likely a Pylon or a similar Protoss building, stands amidst a fiery, orange and yellow landscape. The sky is dark blue with bright white lightning bolts striking down. The overall tone is intense and action-packed.

StarCraft II: Devils' Due

Christie Golden, 2011-04-12

It was at times like this that Jim Raynor former marine lance corporal proud citizen of the Confederacy and erstwhile farm boy felt most alive At the speed at which he was urging the vulture the wind cooled his face so that the oppressive heat vanished He felt like a wolf hunting down prey except the purpose of today's adventure was not the death of a living being but the death of the empty state of Raynor's and Tychus's wallets This was a cargo train not a passenger train and inside its silvery innards was if Tychus's tip was right and Jim had every reason to believe it would be a very lovely very large safe filled with Confederate credits Why it's a rescue mission Jim Tychus had rumbled his blue eyes dancing with good humor as he had filled Raynor in on the plan Those poor creds they'd just be condemned to lining the pockets of some Old Families who don't need any more money Or else put to some nefarious scheme that could hurt somebody It's our duty hell it's our calling to liberate them creds to where they could do something that really mattered Like buying us drinks women and steak dinners That's a good start You've got a heart of gold Tychus I've never met such an altruistic man in my life I got goddamn tears in my eyes It's a tough job but somebody's got to do it Jim grinned as he recalled the conversation He and Tychus were behind the train catching up to it quickly He stayed right and Tychus veered left Tychus crossed over the maglev tracks adjusting the magnetic frequency on his bike to compensate so that he like the train itself could cross easily Jim increased his speed moving alongside the maglev until the right car came into view He and Tychus had spent hours analyzing all kinds of transportation vessels over the last few years sometimes simply from blueprints or images but usually up close and personal as they were about to do now They had liberated other credits before it seemed to them like hundreds of thousands over the years although the liberated credits

never seemed to stay with them very long That was all right too It was part of the ride that life had become The year is 2494 Almost five years ago Jim Raynor and Tychus Findlay were members of the Heaven s Devils an elite Confederate marine unit praised for its nerves of steel and combat expertise After making a stand against their corrupt commanding officer the two men were forced to go AWOL or risk being unjustly prosecuted and resocialized Now Raynor and Findlay are outlaws hounded by an unyielding interstellar marshal Life however has never been better Each day is another chance to pilfer more credits from the Confederacy s deep coffers Each night holds the promise of spending their hard earned profits in bars brothels and gambling halls But a man can only run so far before the law and his past catch up with him Devils Due recounts an unforgettable period of Jim Raynor s life as he descends into the Koprulu sector s criminal underworld alongside the street savvy Findlay Here far from his humble upbringing on the fringe world of Shiloh Raynor will face some of the most trying challenges of his life The decisions he makes will alter his destiny forever and put his father s oft spoken wisdom A man is what he chooses to be to the ultimate test **Livres hebdo** ,2008 **Livres de France** ,2008-09 Includes 1982 1995 Les Livres du mois also published separately
