Starving Jesus Off The Pew Into The World:

Starving Jesus Craig Gross, J. R. Mahon, 2007 I was hungry and you gave me no food I was thirsty and you have me no drink It s time to STOP STARVING JESUS In other words it s time for Christians to get off their comfortable seats near the back of the sanctuary and get out in the world Authors Craig Gross and J R Mahon challenge fellow Christ followers to stop talking about being spiritual and start being spiritual by rolling up their sleeves and serving a world desperate for the hope Christ offers Excerpt from *Starving Jesus* This may sound pessimistic but not a lot seems to be getting done anymore Not a lot of love or compassion and rarely do we see the church reaching into the human gutter of sin and pulling people out Just a lot of sanctimonious speech and self righteous indignation all wrapped up in great marketing and advertising There s a whole lot of talk but not a whole lot of action Features and Benefits Strikes a nerve with a growing number of young people who feel church is not relevant and needs a shake up Provides interesting discussion topics for small groups and youth groups

Parenting Brett Ullman, 2020-07-31 After more than two decades and over two thousand presentations my interactions with parents reveal that although most want to learn and parent their best they feel ill equipped Kids don t come with manuals The goal of this book is to equip and empower you as a parent grandparent or youth leader to help kids navigate all aspects of life in the current culture How do we sift through the unending philosophies on parenting and be intentional in how we choose what s best for our family The number of voices is overwhelming This book distills the essential elements of parenting so you can apply them in your own home It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone As we explore the foundations of parenting we will look at Parenting What are the stages of parenting What is the current state of parenting What is the purpose of parenting Parenting styles What are they and which ones should I be using What might I need to alter about my current parenting style Progression of parenting What are the skills our children need to learn Time What does quality time and being present with my kids look like Communication How can I gain better communication skills so that I can more effectively connect with my kids Discipline How do I effectively discipline my children Family discipleship Why is our worldview important and how we can raise kids with a Christian worldview Mental Health How do we address issues like anxiety panic attacks and depression Engaging the Culture How do we empower our kids to engage the culture around us without compromising their faith Media How can we help our kids navigate technology Sexuality How do we direct our kids towards healthy sexuality Pornography What is the prevalence of pornography and how do we address its impact on our kids Dating How do we best avoid pitfalls in dating Finances and education How can we help our children make sound financial and education choices Drugs and alcohol What tools are available to assist in drug proofing our kids Loneliness How do we prevent disconnection in our kids and help them to create community [media.faith.culture: Parents 101](#) Brett Ullman, 2011-09-19 Growing up we didn t have the Internet our friends didn t cut themselves and text messaging wasn t even on the radar Today s young people are bombarded by

media of all kinds and have instant access to any subject and any topic of their choosing Their media saturated lives are inescapably inundated by chat rooms movies instant messaging and their ipods How do we help guide our children to live Godly lives amidst this kind of cultural climate Brett Ullman discusses from a parent s perspective sensitive topics affecting today s young people including cutting suicide substance abuse sex and violence Bringing hope and an awareness to today s parents Brett sheds light on how with increased knowledge of youth trends adults can be more discerning in their parenting strategies and better able to anticipate the needs of their children as they navigate the often challenging waters of adolescence *The Publishers Weekly* ,2007 Out Of The Briars - An Autobiography And Sketch Of The Twenty-Ninth Regiment - Connecticut Volunteers A.
