

The background of the entire page is a soft-focus illustration of a night scene. At the top center, a bright, multi-pointed star shines against a deep blue sky. Below the star, the title 'Stations of the Nativity' is written in a large, elegant, light-colored serif font. The lower half of the image shows a dark, silhouetted landscape with rolling hills and bare trees. In the center of this landscape, a small, brightly lit cave or grotto is visible. Inside the grotto, two figures are seated on the ground, facing each other. The overall mood is peaceful and reverent.

**Celebrating The 12 Days of Christmas** Chris Marchand,2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past

accepted as biblical fact Abounding with intriguing detail this book compels the reader to consider the negative effect Christmas has upon biblical doctrine and to contemplate the difficulties associated with the conclusion many arrive at namely that Christmas meets with the approval of the Lord Jesus     **Woman's Missionary Friend** ,1902
