*The Statue of Liberty Encyclopedia* Barry Moreno,2000 A guide to the Statue of Liberty details the history of the monument and presents facts about the statue its origins and its influence      *What Is the Statue of Liberty?* Joan Holub,Who HQ,2014-05-29 In 1876 France decided to give the United States a very big and very special present the Statue of Liberty The gift was to commemorate the 100th birthday of the United States and just packing it was no small feat 350 pieces in 214 crates shipped across the ocean The story of how the 111 foot tall lady took her place in the New York Harbor will fascinate young readers      *The Statue of Liberty* Barry Moreno,2004 The Statue of Liberty is an awesome visual journey that begins with the fantastic proposal of a French professor to give the United States a monument to commemorate the Revolutionary War alliance between the thirteen colonies and France It documents the gift s taking symbolic form of the ancient goddess of liberty and its designation as the tallest metal statue in the world Highlights include Liberty s construction history her changing symbolism over the years and her use in popular advertising and political activism Her upraised arm has saluted scores of ships as they have passed by Her dignity has welcomed Americans returning home from foreign parts and has given hope to newcomers seeking a fresh beginning in the land of liberty      *The Statue of Liberty Enlightening the World* Frédéric Auguste Bartholdi,1885      *Statue of Liberty* Hal Marcovitz,2014-11-25 The Statue of Liberty was given to the United States as a gift from the people of France in 1886 It was originally meant as an emblem of the friendship between the two nations but over the years it has come to mean much more The Statue of Liberty has come to represent the promise of America a promise that drew tens of millions of immigrants from other countries seeking greater freedom and opportunities For many of these immigrants Lady Liberty was the first thing they saw when they arrived in the United States The Statue of Liberty has also served as a symbol of freedom for those who are oppressed throughout the world      *The Statue of Liberty* Lucille Recht Penner,2010-05-26 Over 125 years ago our beloved Statue of Liberty made its way to New York Harbor This Step 2 non fiction reader uses illustrations and photographs to tell the story of how Lady Liberty was sculpted transported from France unveiled and made into an American icon      [Statue of Liberty](#) Jennifer Hurtig,2019-08-01 Also known as Liberty Enlightening the World the Statue of Liberty stands as a symbol of the United States It marks the principles of democracy and freedom on which the country is based Find out more in Statue of Liberty a title in the Structural Wonders of the World series Structural Wonders of the World is a series of AV2 media enhanced books Each title in the series features easy to read text stunning visuals and a challenging educational activity A unique book code printed on page 2 unlocks multimedia content These books come alive with video audio weblinks slideshows activities hands on experiments and much more

**The Statue of Liberty** Debra Hess,2005-01-30 Traces the origins of the Statue of Liberty its creators the different symbols and their meanings and what it stands for today      *The Statue of Liberty* Joanne Mattern,2017-08-01 She was a gift of friendship and peace between France and the United States Now Liberty Enlightening the World stands as a symbol of

America's embrace of freedom and democracy Find out why 4 million visitors each year visit this majestic statue in New York's harbor *The Statue of Liberty* Anne Hempstead, 2006 Examines the story behind the building of the colossal statue in New York Harbor France's gift to the U.S. and symbolizing freedom **Building the Statue of Liberty** Laura L. Sullivan, 2017-12-15 The Statue of Liberty was a gift from France to the United States Making and delivering such a large present required special planning and execution Readers will discover how this iconic structure was built presented taken apart shipped and then reassembled by mostly immigrant workers who had come to the United States to experience what the statue represented **The Statue of Liberty** Natalie Miller, 1993-03 Describes Auguste Bartholdi's conception of the Statue of Liberty its construction in France and its eventual erection and dedication in New York Harbor Statue of Liberty Tamra B. Orr, 2016-01-01 Introduces young readers to primary sources related to the Statue of Liberty **The Statue of Liberty** Edward Berenson, 2012-05-29 If you think you know all there is to know about the Statue of Liberty you'll be pleasantly surprised The New York Times When the crated monument first arrived in New York Harbor few could have foreseen the central place the Statue of Liberty would come to occupy in the American imagination In this book cultural historian and scholar of French history Edward Berenson tells the little known stories of the statue's improbable beginnings transatlantic connections and the changing meanings it has held for each successive generation He tells of the French intellectuals who decided for their own domestic political reasons to pay tribute to American liberty the initial less than enthusiastic American response and the countless difficulties before the statue was at last unveiled to the public in 1886 The trials of its inception and construction however are only half of the story Berenson also shows how the statue's symbolically indistinct neoclassical form has allowed Americans to interpret its meaning in diverse ways as representing the emancipation of the slaves Tocqueville's idea of orderly liberty opportunity for huddled masses and in the years since 9/11 the freedom and resilience of New York City and the United States in the face of terror Includes photos and illustrations Endlessly fascinating Louisville Courier Journal **The Statue of Liberty** Jennifer Fandel, 2005-07 Recounts the history of the famed statue including how it was built in France shipped to America and reassembled on a pedestal in New York Harbor **The Statue of Liberty** Holly Karapetkova, 2013-03-01 Describes the history of the well known statue that has been an enduring symbol of liberty and freedom in America **Liberty Arrives!** Robert Byrd, 2019-06-18 A deeply informative and gorgeously illustrated look at the Statue of Liberty from award winning nonfiction master Robert Byrd America's most iconic national symbol was a gift from France to the United States provided America raised the money for the pedestal on which it was to stand Urged on by the publisher Joseph Pulitzer it was raised largely with the help of children in the first example of a crowd sourced fund raising campaign This book tells the story of the best gift ever how it was designed created transported and then finally erected on its pedestal in the entrance to New York Harbor Readable text is enhanced with illustrations chock full of historical detail in Bob Byrd's lighthearted witty style **The Statue of Liberty** Charles River Editors, 2014-12-25 Includes

pictures Includes accounts of the construction by newspapers and men who worked on the Statue of Liberty Includes a bibliography for further reading Includes a table of contents A masterpiece of the human spirit that endures as a highly potent symbol inspiring contemplation debate and protest of ideals such as liberty peace human rights abolition of slavery democracy and opportunity The UNESCO Statement of Significance describing the Statue of Liberty Among America's countless monuments and landmarks none embody the principles of the nation quite like Lady Liberty the colossal statue that stands on Liberty Island in New York Harbor A gift from the French that was built and transported in the late 19th century the Statue of Liberty has been a symbol of the United States guaranty of individual freedom and its location took on added meaning as it welcomed millions of immigrants sailing across the Atlantic to nearby Ellis Island As one incoming Greek immigrant remembered I saw the Statue of Liberty And I said to myself Lady you're such a beautiful sight You opened your arms and you get all the foreigners here Give me a chance to prove that I am worth it to do something to be someone in America And always that statue was on my mind People around the world are instantly familiar with the statue today whether from seeing pictures or depictions of it or actually visiting it and going inside but the story of its construction is just as fascinating Conceived as a monument that would commemorate the crucial alliance between America and France the statue was a massive undertaking from fundraising to the construction of the sculpture and a pedestal The project took several years and a precarious transport of the statue's pieces across the Atlantic to New York where it was officially dedicated in 1886 and celebrated with a ticker tape parade Even before that the statue was so famous on both sides of the Atlantic that the head and torch had been displayed at various exhibits prior to the completion of the statue Ironically given the widespread fame of the Statue of Liberty its history was turbulent and controversial While those who conceived of the statue had a difficult time securing the funding there were arguments over where the statue should go and how everything from the pedestal to the statue itself should be built In hindsight it seems like a foregone conclusion that one of America's most famous monuments would be completed but it would actually take almost 15 years for the Statue of Liberty to be designed constructed and completed and the lion's share of the credit would go not to Americans but to dedicated French artists and engineers who pushed on with the work against major obstacles and heavy odds The Statue of Liberty The History and Legacy of America's Most Famous Statue chronicles the design and construction of Lady Liberty Along with pictures of important people places and events you will learn about the Statue of Liberty like never before in no time at all **The Story of the Statue of Liberty** Betsy Maestro, 1989-05-26 Written for the youngest audience the text is very simple yet manages to convey all the major events in Liberty's creation The full color watercolors show amazing detail and are extremely rich Horn Book **The Statue of Liberty** Ann Heinrichs, 2001 This book presents key events in U.S. History through engaging text and historic photographs and engravings
