FONTENOY AND GREAT BRITAIN'S SHARE IN THE WAR OF THE AUSTRIAN SUCCESSION 1741-48 Francis Henry Skrine, 2023-08-02 This is by far the most celebrated study of the Battle of Fontenoy and is an essential study for the campaign Fontenoy was the bloodiest battle in Western Europe since Malplaquet in 1709 with French losses around 7 000 or 8 000 killed and wounded those of the Allies

somewhere between 8 000 to 12 000 including prisoners Victory restored French battlefield pre eminence in Europe although the best of the Allied infantry remained superior to their opponents Cumberland performed poorly as a commander ignoring advice from his more experienced subordinates failing to ensure the Bois de Barry was properly cleared and issuing Ingoldsby with conflicting orders Although praised for his courage the inactivity of the Allied cavalry was partly due to his participation in the infantry attack and loss of strategic oversight Ligonier and others viewed Fontenoy as a defeat snatched from the jaws of victory and although understandable for a 24 year old in his first major engagement the same faults were apparent at the Battle of Lauffeld in 1747 *The Battle of Fontenoy 1745* James Falkner,2019-01-30 A detailed history of a pivotal bloody battle in a clash of European dynasties with illustrations included The Battle of Fontenoy marked a turning point in the War of the Austrian Succession yet it has rarely been analyzed in depth and the Europe wide conflict in which it played a part is little understood James Falkner in this perceptive and original account puts the record straight by describing the fighting in graphic detail and setting it in the context of the sequence of wars that determined the shape of Europe during the eighteenth century Great Britain with her Austrian and Dutch allies fought to ensure that Maria Theresa of Austria should be able to take the throne of the Holy Roman Empire Ranged against her interests was the might of Louis XV s France which strove to weaken Austria by promoting a Bavarian aspirant to the Imperial throne On May 11 1745 at Fontenoy in the Austrian Netherlands the two sides met in a ferocious daylong struggle that changed the course of the war James Falkner s narrative gives a fascinating insight into the Battle of Fontenoy itself and more widely into the nature of warfare in Europe more than 250 years ago **A Short History of the War of the Austrian Succession in North America** James J.
