The Whorehouse That Jack Built:

The Whorehouse That Jack Built Kevin Sweeney, 2015-08-05 It was a whorehouse but not one open to just anyone To get there you had to be dying or insane The services offered were all offered for the same price which was everything you had There were paths there that only those who had crossed the border into the Undiscovered Country could find if they knew the landmarks to follow the signs to watch for Clem followed and watched and two days ago his mule had died of exhaustion and it was just him and Lady keepin on who knew how and finally they came to a dead town with no name at twilight and a whorehouse with a sign above the door that Clem could not read A SOILED DOVE IN A CAGE PUTS ALL HEAVEN IN A RAGE A whorehouse run by demons A whorehouse that offered the greatest pleasures a man could ever want in exchange for everything he had Am I gonna do this Am I really gonna The cancer in his belly twisted spikes through his impacted bowels and in front of him lay Lady a sacrifice And Clem pushed that door open and stepped across the threshold

Lars von Trier Linda Badley, 2011-02-24 Scandinavia's foremost living auteur and the catalyst of the Dogme95 movement Lars von Trier is arguably world cinema's most confrontational and polarizing figure Willfully devastating audiences he takes risks few filmmakers would conceive mounting projects that somehow transcend the grand follies they narrowly miss becoming Challenging conventional limitations and imposing his own rules he restlessly reinvents the film language The Danish director has therefore cultivated an insistently transnational cinema taking inspiration from sources that range from the European avant garde to American genre films This volume provides a stimulating overview of Trier's career while focusing on the more recent work including his controversial Gold Heart Trilogy *Breaking the Waves* *The Idiots* and *Dancer in the Dark* the as yet unfinished USA Trilogy *Dogville* and *Manderlay* and individual projects such as the comedy *The Boss of It All* and the incendiary horror psychodrama *Antichrist* Closely analyzing the films and their contexts Linda Badley draws on a range of cultural references and critical approaches including genre gender and cultural studies performance theory and trauma culture Two revealing interviews that Trier granted during crucial stages of *Antichrist*'s development are also included

Lars von Trier Beyond Depression Linda Badley, 2022-02-15 Lars von Trier built a reputation as a provocateur from the start but in the late 2000s he entered an even more inflammatory phase Amid Cannes controversies *Antichrist* 2009 *Melancholia* 2011 *Nymphomaniac* 2013 14 and *The House That Jack Built* 2018 brandished the cinematic virtuosity von Trier once banned under the Dogme 95 Manifesto while subjecting audiences to extreme cinema Following von Trier's experience of clinical depression in 2006 and 2007 these films took an aggressively personal and retrospective turn against the backdrop of the director's controversy courting public appearances Playing against widespread assumptions Linda Badley takes a reparative approach offering an in depth examination of these four films and the contexts that produced them Drawing on numerous interviews with the director and his collaborators as well as inside access to archival materials she provides a thorough and comprehensive account of von Trier's preproduction and creative process Highlighting a transmedial turn

Badley tracks von Trier's artistic touchstones from Wagner Proust and the Marquis de Sade to Scandinavian erotic cinema and serial killer genre tropes. She considers his portrayals of mental illness and therapy, gender and sexuality, nature and extinction, shedding light on the thematic concerns that unite these films as a distinct cycle. Offering nuanced readings of these films, the book emphasizes the significance of von Trier's work for current critical and philosophical debates, showing how they engage with notions of the Anthropocene, dark ecology, and the postcinematic. **Hard Rain Falling** Don

Carpenter, 2010-06-23 A hardboiled novel about life in the American underground, from the pool halls of Portland to the cells of San Quentin. Simply one of the finest books ever written about being down on your luck. Don Carpenter's *Hard Rain Falling* is as tough as nails, an account of being down and out but never down for good, a Dostoyevskian tale of crime, punishment, and the pursuit of an ever-elusive redemption. The novel follows the adventures of Jack Levitt, an orphaned teenager living off his wits in the fleabag hotels and seedy pool halls of Portland, Oregon. Jack befriends Billy, a young black runaway and pool hustler extraordinaire. A heist gone wrong gets Jack sent to reform school, from which he emerges embittered by abuse and solitary confinement. In the meantime, Billy has joined the middle class, married, fathered a son, acquired a business, and a mistress. But neither Jack nor Billy can escape their troubled pasts, and they will meet again in San Quentin before their strange double drama comes to a violent and revelatory end. **The Making of London** S. Groes, 2015-12-04 London has

become the focus of a ferocious imaginative energy since the rise of Thatcher. *The Making of London* analyses the body of work by writers who have committed their writing to the many lives of a city undergoing complex transformations, tracing a major shift in the representation of the capital city. **Cassell's Dictionary of Slang** Jonathon Green, 2005 With its unparalleled coverage of English slang of all types, from 18th-century cant to contemporary gay slang, and its uncluttered editorial apparatus, Cassell's *Dictionary of Slang* was warmly received when its first edition appeared in 1998. Brilliant, said Mark Lawson on BBC2's *The Late Review*. This is a terrific piece of work, learned, entertaining, funny, stimulating, said Jonathan Meades in *The Evening Standard*. But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books, plus song lyrics, TV and movie scripts, and many newspapers and magazines for relevant material. The research has thrown up some fascinating results. **The 'Beyond' Trilogy** J. Winfield Currie, 2012-08 A tale of passion,
