The Wife Of A Texas Hustler:

The Wife of a Texas Hustler Mesha Mesh, 2016-01-18 He who finds a wife finds a good thing and that's exactly what Montez had done when he found the love of his life Victory Daniels. At an early age Victory also known as Vic proved herself to be his backbone his strength the one to uplift him at a time of adversity and one who would forever have his back. Trust was never an issue because no woman ever came before her but temptation swivels its way into their relationship causing unforeseen problems that Vic won't put up with. She's down for her man in every aspect but she demands his respect. Montez made a quick come up by having a go getter mentality and putting in work. The way he silently moved and handles his business places him in a position to make more money than he had ever seen. Things seemed to be handed to him with ease but everything comes with a price. That price goes by the name of Olivia and she wants to stick her claws in him whether he likes it or not. Ace loves Cherry with all his heart and for once in his life he's finally trying to do right but his past mistake keeps biting him in the butt causing problems in his relationship. He does all he can to keep the chaos away but the more he tries the harder it gets. Cherry is at her wit's end with Ace and his ways. If it isn't one thing it's another and she's getting tired. She's given her all in their relationship but she feels she isn't getting all of him in return. Situations arise that really test their love and she doesn't know whether she is going to ride it out or stick by her man. Their love is tested trust broken and hope is almost diminished but it will take more than a few haters and mishaps to destroy a bond that took years to build. To love a man is a task in itself but there is no greater test than being *The Wife of a Texas Hustler*.

Cowboys, Gamblers and Hustlers Bryon Wolford, Shane Smith, This inside looks at the early glory days of hold 'em playing in smoky backrooms with legends such as Titanic Thompson and Doyle Brunson. Get a look at vintage Las Vegas when Cowboy's friend Benny Binion ruled Glitter Gulch and ride along with the road gamblers as they faded the white line from Dallas to Shreveport to Houston in the 1960s in search of games. Read fascinating yarns about life on the rough and tumble and colorful adventures as a road gambler feel the fear and frustration of being hijacked getting arrested for playing poker and having to outwit card sharps and scam artists. Wolford survived it all to win a gold bracelet at the World Series playing with poker greats Amarillo Slim Preston Johnny Moss and 1978 World Champion Bobby Baldwin. Wolford also won 30 rodeo belt buckles. Baldwin says Cowboy is probably the best gambling story teller in the world.

A Hustler's Dream Ernest Morris, 2017-04-28 A new start always comes at a price. Dante Worlds is fresh from the joint. Leaner but more importantly wiser. He's smart enough now to not get caught up again. But also knows a life of crime is unsustainable. His main goal now is to return to the old game but with a few new tricks. Ones that will keep him off radar to the authorities. Once he's stashed away enough coin it's the straight and narrow for him. Meanwhile a new connect Worlds made in prison.

named Fredd aids him in organizing a venture that is sure to pay off very robustly for Dante Getting him out of the life for good Fred's past however is a murky one Filled with the usual betrayals and lies one commits to survive in the streets When his enemies hear of his new dealings with Worlds He becomes their prime target along with those closest to him Enter Dominique She wants a life with Worlds but upon finding out he's back to his old ways she threatens to depart Without his protection she's a sitting duck for Fredd's enemies who're now Worlds enemies Worlds must now close this new deal quickly His future and hers depends on it **American Lumberman** ,1912 **Soul of the Man** Charles Farley,2011-02-07
