

“Cultural differences
should not separate
us from each
other, but rather
cultural diversity
brings a collective
strength that
can benefit all
of humanity.”

Robert Alan

The Words Of Others From Quotations To Culture:

The Words of Others Gary Saul Morson, 2011-06-28 In this lively gambol through the history of citations and citation books Gary Saul Morson traces our enduring fascination with the words of others Ranging from the remote past to the present he explores the formation development and significance of citations while exploring the verbal museums in which they have been collected and displayed commonplace books treasuries and anthologies In his trademark clear witty and provocative style Morson invites readers to share his delight in the shortest literary genre The author defines what makes a citation as well as the unexpected differences between citation and misquotation He describes how citations form transform and may eventually become idioms How much of language itself is the residue of former citations Weaving in hundreds of intriguing citations common and unusual Morson explores how the words of others constitute essential elements in the formation of a culture and of the self within that culture In so doing he provides a demonstration of that very process captured in the pages of this extraordinary new book

Euripides and Quotation Culture Matthew Wright, 2024-07-11 Presenting a new approach to Euripides plays this book explores the playwright's ancient tragedies in relation to quotation culture Treating extant works and lost works side by side Matthew Wright presents a selective survey of ways in which Euripidean tragedy was quoted within antiquity both in social contexts on the comic stage at symposia in law courts in education and in different literary genres drama biography oratory philosophy literary scholarship history and anthologies There is also a discussion of the connection between quotability and classic status where Wright asks what quotations can tell us about ancient reading habits The implication is that Euripides actively participated in quotation culture by deliberately making certain portions of his plays stand out as especially quotable Within classical antiquity Euripides was the most widely quoted author apart from Homer His plays are full of quotable quotes which were repeated so often that they acquired a life of their own Hundreds of famous verses from Euripidean drama circulated widely within the ancient world even after the plays in which they originally featured became forgotten or vanished completely Indeed the majority of Euripides tragedies now survive only in the form of scattered quotations otherwise known to us as fragments It is this corpus of fragmentary quotations along with his extant plays that makes Euripides such an interesting case study in the world of quotation culture This book is the first of its kind to understand Euripides work through this lens as well as opening up quotation culture as a major theme of interest within classical scholarship

Wyndham Lewis and the Cultures of Modernity Dr Nathan Waddell, Ms Alice Reeve-Tucker, Professor Andrzej Gasiorek, 2013-05-28 Making a strong case for a revaluation of Wyndham Lewis 1882-1957 this collection argues that significant aspects of Lewis's writing painting and thinking have not yet received the attention they deserve The contributors explore Lewis's contributions to the production and circulation of modernism and assess the links between Lewis's writing and painting and the work of other key contemporary figures to position Lewis not only as one of the first twentieth century cultural critics but also as one who anticipated the work of the Frankfurt School and other

social theorists Familiar topics and themes such as Vorticism receive fresh appraisals and Lewis's significance as a philosopher critic novelist and artist becomes fully realized in the context of his associations with important figures such as John Rodker Charlie Chaplin Evelyn Waugh Naomi Mitchison and Rebecca West Lewis emerges as a figure whose writings on politics corporate patronage shell shock anthropology art and cinema extend their influence into the late twentieth and early twenty first centuries *Documents, Including Messages and Other Communications* Ohio, 1906 Guesses at Truth ... New edition Julius Charles HARE (Archdeacon of Lewes. and HARE (Augustus William)), 1871 The Oxford Dictionary of Phrase, Saying, and Quotation Elizabeth M. Knowles, 1997 Compiles over 10 000 quotations proverbs and phrases on over 350 themes among them actors and acting bores and boredom elections food and drink kissing madness schools taxes the weather and youth Many are attributed with reference to particular works while others merely explain the meaning and sometimes the background For example a Carthaginian peace is a peace settlement that imposes very severe terms of the defeated side and refers to the ultimate destruction of Carthage by Rome in the Punic Wars A keyword index presents abbreviated versions to facilitate finding a particular perhaps half remembered quotation Annotation copyrighted by Book News Inc Portland OR *Day's Collaçon: an Encyclopaedia of Prose Quotations*, 1884 **Messages of Music** Henry Brenner (O.S.B.), 1923 *Scientific Quotations* Alan Lindsay Mackay, 1977 Musical Record and Review Dexter Smith, Lorin Fuller Deland, Philip Hale, Thomas Tapper, 1895 The Missionary Review of the World, 1913 Preacher and Homiletic Monthly, 1912 The Missionary Review, 1912 **The Yale Literary Magazine**, 1878 **The Nation**, 1895 The Academy and Literature, 1912 **Gems of Illustration from the Sermons and Other Writings of Thomas Guthrie** Thomas Guthrie, 1882 Musical America, 1923 **The Academy**, 1888 **American Gardening**, 1901
