engagement with the East the book raises the questions What led Blake to formulate his thesis that All Religions Are One Why do Coleridge s poetry and the play Osorio echo some of the passages from Wilkins translation of The Bhagvat Geeta as well as other prominent Eastern religious texts What made Southey write his Hindu epic The Curse of Kehama and his Islamic tale Thalaba the Destroyer What was the exact nature of the negotiations between William Jones Orientalism and Wordsworth s poetics as formulated in the Preface to Lyrical Ballads The Prelude and other poems The book convincingly argues that the introduction of cultural goods from the East played a crucial role in shaping the form and substance of British Romanticism while acknowledging that the Romantics reception of the East was tempered by their ideological concerns and religious background
