The Apprentice In The

Master's Shadow Ian Gregoire,2020-05-04 Sometimes Respect Has To Be Earned The Hard Way The end of an arduous apprenticeship is close at hand and Kayden Jayta unexpectedly learns that being the favoured apprentice of a living legend is not conducive to gaining the respect she deserves With little time left to change perceptions simmering resentment persuades her that drastic action is required to redress the slights of her detractors Measures that may jeopardise her induction into the Order and endanger her life An overheard conversation presents Kayden with both the means and justification to pursue her objective The key to attaining the respect she craves lies beyond the borders of the Nine Kingdoms But the window of opportunity is small the danger she must face great and the price of failure greater still Undeterred she will allow nothing and no one to hinder her from the path she must walk The one woman mission to a foreign land will test Kayden s abilities like never before If she is to succeed in her dangerous manhunt she must overcome enemies new and old before facing an adversary she maybe ill equipped to defeat And little does she suspect that her reckless endeavour will have unintended consequences forcing the legendary Fay Annis to confront her infamous past But the trials and tribulations that lie ahead must surely be worth the risk for only unprecedented action will permit the headstrong apprentice to step out of her master s shadow
