The Way Of The Cross The Path To New Life:

The Way of the Cross Joan Chittister, 2013 The bestselling spiritual writer Joan Chittister reflects on 15 paintings by contemporary American artist Janet McKenzie in a 21st century interpretation of the centuries old Christian devotion When popular writer Joan Chittister heard that artist Janet McKenzie painted the fifteen stations of the cross she was eager to write the accompanying text her first book length treatment of the stations Re-Imaging Death and Dying, 2020-09-25 The 6th Global Conference Making Sense of Dying and Death held in Salzburg Austria in October and November 2008 is a component of the Inter Disciplinary Net s Probing the Boundaries project The project s purpose is to create working encounter groups between people of differing perspectives disciplines professions vocations and contexts A **The Last Week** Marcus J. Borg, John Dominic Crossan, 2009-03-17 Top Jesus scholars Marcus J Borg and John Dominic Crossan join together to reveal a radical and little known Jesus As both authors reacted to and responded to questions about Mel Gibson s blockbuster *The Passion of the Christ* they discovered that many Christians are unclear on the details of events during the week leading up to Jesus s crucifixion Using the gospel of Mark as their guide Borg and Crossan present a day by day account of Jesus s final week of life They begin their story on Palm Sunday with two triumphal entries into Jerusalem The first entry that of Roman governor Pontius Pilate leading Roman soldiers into the city symbolized military strength The second heralded a new kind of moral hero who was praised by the people as he rode in on a humble donkey The Jesus introduced by Borg and Crossan is this new moral hero a more dangerous Jesus than the one enshrined in the church s traditional teachings *The Last Week* depicts Jesus giving up his life to protest power without justice and to condemn the rich who lack concern for the poor In this vein at the end of the week Jesus marches up Calvary offering himself as a model for others to do the same when they are confronted by similar issues Informed challenged and inspired we not only meet the historical Jesus but meet a new Jesus who engages us and invites us to follow him Seeking the Beloved Wayne Simsic, 2012-04-01 Prayer is not just time set aside for God or the use of certain techniques it is primarily an intimate relationship with God the Beloved If we hunger for a prayer that is deeper than words and that we can bring to every part of our lives no matter what we are doing then we can turn to St John of the Cross as our guide Retreat master and author Wayne Simsic insists that while it s easy to write off this saint as an otherworldly ascetic and mystic he was actually a down to earth and wise administrator poet and artist whose writings have great relevance for us today In this book Simsic helps readers discover the gift of contemplative prayer as unfolded by this Carmelite saint whose longing for a deep intimacy and union with God can become our longing as well

Metropolitan Pulpit and Homiletic Monthly, 1916 **The Homiletic Review**, 1922 Ahepan, 1926 *On the Tree of the Cross* Matthew Baker, Seraphim Danckaert, Nicholas Marinides, 2020-04-10 Thou hast redeemed us from the curse of the Law by Thy precious Blood By being nailed to the Cross and pierced with the Spear Thou hast poured immortality on mankind O our Saviour glory to Thee Troparion for Holy Friday Atonement is a contested but inescapable term in

contemporary English language theological discussion The doctrine of atonement has received little attention in Orthodox Christian circles since the work of Fr Georges Florovsky who labored to clarify and promulgate the Orthodox teaching on atonement on the basis of his theological leitmotifs of neo patristic synthesis and encounter with the West Florovsky saw the doctrine of the person of Christ as the key to apprehending the pattern and the unity of God s redemptive work Hence he always sought to follow the Church Fathers in weaving together the themes of creation and fall incarnation and atonement deification and redemption liturgy and asceticism in the variegated yet seamless robe of true theology The present volume is inspired by Florovsky s legacy It is composed of two parts The first is a collections of papers on atonement by contemporary theologians from a patristic symposium in honor of Florovsky held at Princeton Theological Seminary and Princeton University in 2011 The second part is a collection of writings on atonement by Florovsky himself including previously unpublished manuscripts and other works otherwise hard to access This book offers incisive and informed neo patristic voices to any contemporary discussion of atonement thus responding to the perennial legacy and task to which Fr Georges Florovsky exhorted Orthodox theological reflection
