how they are still relevant in the modern world **The YOU Code** James Sheridan,2020-11-17 Don't change who you are. Awaken to it. No matter what you've been through in life, there is a force inside you that has not and cannot be taken away from you because it is you. Its spirit is irrepressible and indestructible, and this is your search and rescue mission for it. Fantastic and groundbreaking. This remarkable book has won a place on my bookshelf with *The 5 Love Languages*. Everyone should read this book. Jack Canfield, New York Times bestselling co-author of *Chicken Soup for the Soul* and *The Success Principles*. International bestselling author James Sheridan uncovers the missing connections between ancient history, genetics, and a forgotten but powerful psychological theory. The YOU Code defies the conventional self-improvement message of changing who you are and instead invites you to awaken to your true self. This groundbreaking self-improvement system also succinctly shows you how your purpose in life is derived from your ancient and hidden lineage, peace and clarity from a life built on your predestined definition of success. Why every relationship has genetic flashpoints and how to master them. The three ancient truths that cut through all the health and diet confusion. The two sacred cycles that grant you mastery of money. This provocative page-turner provides definitive answers to the most important questions you'll ever ask yourself: Who am I, and why am I here? It's time to discover what you once were and what's still living inside you, awaiting rebirth. James Sheridan is an international bestselling author, speaker, and entrepreneur. His first book, *The Pandora Prescription*, is a fact-based novel written to expose a medical cover-up. Sheridan has dedicated the last twenty years to finding the definitive answers for humanity's biggest questions, and his new groundbreaking book, *The You Code*, represents the conclusion of his quest.
