**The Weapon of Prayer** Edward M. Bounds, 2015-06-04 Edward McKendree Bounds did not merely pray well that he might write well about prayer He prayed because the needs of the world were upon him He prayed for long years upon subjects which the easy going Christian rarely gives a thought and for objects which men of less thought and faith are always ready to call impossible From his solitary prayer vigils year by year there arose teaching equaled by few men in modern Christian history He wrote transcendently about prayer because he was himself transcendent in its practice As breathing is a physical reality to us so prayer was a reality for Bounds He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing

*The Weapon of Prayer* E. M. Bounds, 2023-09-26 The Weapon of Prayer by Edward McKenzie Bounds E M Bounds is the perfect resource for anyone seeking guidance in their prayer life One of his last published works The Weapon of Prayer

emphasizes Bounds belief that experiencing God's power and participating in His works comes from dedication to prayer. Bounds focuses on the importance of communication with God through prayer and how it is not only a religious responsibility but also an opportunity for worship growth and strength. As a Christian's lifeline, *The Weapon of Prayer* encourages Christians to sharpen this weapon on a consistent basis in order to bring clarity and peace to their lives and appreciate more fully the gifts from God. *The Weapon of Prayer* David Ireland, 2015. If prayer was the weapon of choice for Jesus, Shouldn't it also be yours? **The Weapon of Prayer** Edward McKendree Bounds, 1931. **The Weapon of Prayer** E. M.

Bounds, Revival Press, 2017-04-04. GOD'S great plan for the redemption of mankind is as much bound up to prayer for its prosperity and success as when the decree creating the movement was issued from the Father bearing on its frontage the imperative universal and eternal condition Ask of me and I will give thee the heathen for thy inheritance and the uttermost part of the earth for thy possession. In many places an alarming state of things has come to pass in that the many who are enrolled in our churches are not praying men and women. Many of those occupying prominent positions in church life are not praying men. It is greatly to be feared that much of the work of the Church is being done by those who are perfect strangers to the closet. Small wonder that the work does not succeed. While it may be true that many in the Church say prayers it is equally true that their praying is of the stereotyped order. Their prayers may be charged with sentiment but they are tame, timid and without fire or force. Even this sort of praying is done by a few straggling men to be found at prayer meetings. Those whose names are to be found bulking large in our great Church assemblies are not men noted for their praying habits. Yet the entire fabric of the work in which they are engaged has to depend on the adequacy of prayer. This fact is similar to the crisis which would be created were a country to have to admit in the face of an invading foe that it cannot fight and have no knowledge of the weapons whereby war is to be waged. In all God's plans for human redemption He proposes that men pray. The men are to pray in every place in the church in the closet in the home on sacred days and on secular days. All things and everything are dependent on the measure of men's praying. Prayer is the genius and mainspring of life. We pray as we live, we live as we pray. Life will never be finer than the quality of the closet. The mercury of life will rise only by the warmth of the closet. Persistent non-praying eventually will depress life below zero. E. M. Bounds authored many books, most of which focused on the subject of prayer. As breathing is a physical reality to us, so prayer was a reality for Bounds. He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing. Claude Chilton Jr. in the Foreword to *Necessity of Prayer* The life of the individual believer, his personal salvation and personal Christian graces have their being bloom and fruitage in prayer. E.
