*The Word and Its Inspiration ...* Elias De La Roche Rendell, 1900      *The Invention of the Inspired Text* John C. Poirier, 2021-01-28 John C Poirier examines the theopneustic nature of the Scripture as a response to the view that inspiration lies at the heart of most contemporary Christian theology In contrast to the traditional rendering of the Greek word theopneustos as God inspired in 2 Tim 3 16 Poirier argues that a close look at first and second century uses of theopneustos reveals that the traditional inspirationist understanding of the term did not arise until the time of Origen in the early third century CE and that in every pre Origen use of theopneustos the word instead means life giving Poirier thus conducts a detailed investigation of theopneustos as it appears in the fifth Sibylline Oracle the Testament of Abraham Vettius Valens Pseudo Plutarch Placita Philosophorum and Pseudo Phocylides all of whom understand the word to mean life giving He also studies the use of the cognate term theopnous in Numenius the Corpus Hermeticum on an inscription at the Great Sphinx of Giza and on an inscription at a nymphaeum at Laodicea on the Lycus Poirier argues that a rendering of life giving also fits better within the context of 2 Tim 3 16 and that this meaning survived late enough to figure in a fifth century work by Nonnus of Panopolis He further traces the pre Origen use of theopneustos among the Church Fathers Poirier concludes by addressing the implication of rethinking the traditional understanding of Scripture stressing that the lack of God inspired scripture ultimately does not affect the truth status of the gospel as preached by the apostles      **Studies of the Dream as a Technical Device in Latin Epic and Drama ...** John Barker Stearns, 1927      **"The Spirit of the Lord Spake by Me". The Self-asserted Inspiration of the Scriptures** Rev. Charles Clayton, 1878      **The Ideas that Have Influenced Civilization, in the Original Documents** Oliver Joseph Thatcher, 1901      **A History of Dreams** Arthur James John Ratcliff, 1923      The Dream of Gerontius John Henry Newman, 1916      Spiritualism in the Bible Edward Walter Wallis, Minnie Harriet Wallis, 1904      **Dreams That Matter** Amira Mittermaier, 2011 This brilliant study presents contemporary anthropology at its best Whether one's goal is understanding the permeability of traditions and modernities or the changing shape of religious imagination and thought in one of the most pivotal countries of the Middle East this book is an outstanding point of departure Dale F Eickelman author of *The Middle East and Central Asia An Anthropological Approach* 4th ed *Dreams That Matter* is an insightful and well crafted study of the practice of dreaming in contemporary Egypt Mittermaier provides a superb analysis of the imaginative repertoires of Islamic traditions and shows how the dream has remained not only a site of Muslim scholarly interest but an important part of the way ordinary Muslims encounter and engage with the divine Charles Hirschkind author of *Powers of the Secular Modern* Talal Asad and *His Interlocutors* Amira Mittermaier has given us the most complete anthropological study of dream culture in the Middle East perhaps in any culture It is a sensitive intellectually challenging indeed a courageous investigation of the psychological ontological and ethical assumptions that lie behind dreams visions and dream visitations in contemporary Egypt where the dream is a vibrant site of

political religious and interpretive contest Dreams That Matter will rank among the most important contributions to the anthropology of the imagination for years to come Vincent Crapanzano author of The Harkis The Wound That Never Heals

**Goethe's Lyric Poems in English Translation Prior to 1860** Lucretia Van Tuyl Simmons,1919      **The Inspiration of the Old Testament Inductively Considered** Alfred Cave,1888      **Inspire a Dream** Steve Riach,2000 Football is built upon the dreams of players like Kurt Warner who was told he didn't have what it takes to play at the professional level It's about people like Mike Singletary who was told he was too small to ever make it big It's about Steve Largent who was told he was too slow to excel These are men who have been inspired by a dream and in turn inspired others to dream with them and follow They prove that true champions are not swayed by circumstances labels or past experiences but rather are driven by a force within that pushes them to become something greater than they could have become by themselves They are men who inspire us to push beyond our own limitations to reach our destiny The dream is about what we are not yet but can become Highlighted by comments from some of the game's greatest players a stunning collection of photographs from Tom Henry and the classic writing of author Steve Riach this one of a kind book reflects contemporary images and makes memories for tomorrow      **Poetry and Dreams** Frederick Clarke Prescott,1912 A study of the psychology of poetry in the light of the Freudian theory of dreams      **University of Wisconsin Studies in Language and Literature** University of Wisconsin,1919      *Interpretation; rules and principles assisting the reading of the holy Scriptures* Samuel Richard Bosanquet,1874      **True Latter-Day Saints' Herald** ,1905 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints      **The Heavenly Arcana Disclosed which are in the Sacred Scripture Or Word of the Lord** Emanuel Swedenborg,1918      *Studies by Members of the Department of English* University of Wisconsin. Dept. of English,1918      Revelation and Inspiration James Orr,1910 This volume is written under the conviction that revelation and inspiration in connection with the Bible can only be defended in conjunction with a more positive view of the structure of the Bible itself than is at present prevalent The three things imply each other a positive view of the structure of the Bible the recognition of a true supernatural revelation in its history and a belief in accordance with the teaching of Christ and His apostles in the inspiration of the record The evidence for each of these three things yields support to faith in the other two The critical appreciation of the Bible is helped by the recognition of the revelation contained in it and of the character of inspiration attaching to the book which is the vehicle of the revelation The revelation sustains faith in inspiration and vice versa From the unity of the three aspects results the conception of a Holy Scripture Preface      **The Messianic Message of the Old Testament** Clinton Lockhart,1905
