too attached The government has to bring in rationing and manpower shortages means the conscription age is extended The Russians have fallen out of the war and a series of terrifying all out attacks drive the Allies back almost to the Channel and for the first time England faces the real prospect of defeat No one can see an end to the war and yet a small glimmer of hope remains When the Boys Come Home is the fifth book in the War at Home series by Cynthia Harrod Eagles author of the much loved Morland Dynasty novels Set against the real events of 1918 at home and on the front this is a vivid and rich family drama featuring the Hunter family and their servants
