In the Boom Boom Room David Rabe, 2007-12-01 A searing portrait of a young dancer's descent into hell extensively revised and returned to the two act structure originally intended by the author Chrissy a bright and not quite innocent woman with visions of a career as a dancer finds herself in the Boom Boom Room a disco bar in Philadelphia meant to be her first step on the road to stardom

Instead she finds herself fighting to keep her dreams intact amid the anesthetic sex and stimulation that surround her the psychological residue of her parents betrayals and the bizarre pack of suitors who follow her In a desperate search for love and hope Chrissy careens from the seductive mistress of ceremonies at the Boom Boom Room to the earnestly friendly gay man next door to a brutally passionate lover In its compassionate look at Chrissy s living nightmare In the Boom Boom Room is a piercing look at a society dangerously close to our own lives and a drama that captures both our hearts and our heads

The Vietnam Plays: Streamers David Rabe,1993 The Basic Training of Pavlo Hummel is the story of a native recruit s initiation into war by turns brutal and hilarious In Sticks and Stones a blinded Vietnam veteran returns home numbed by the war and is astonished by his family s inability to comprehend their country s politics and his rage From publisher description

The basic training of Pavlo Hummel. Sticks and bones David Rabe,1993 David Rabe has been a major voice and crucial force in American drama since 1971 when in the midst of the Vietnam War he startled the nation with The Basic Training of Pavlo Hummel The story of a native recruit s initiation into war it is by turns brutal and hilarious It won the young playwright an Obie and was hailed by The New York Times as rich humor irony and insight More than two decades later Rabe continues to be one of our most compelling dramatists acclaimed most recently for the Tony Award winning Hurlyburly In this the first of two volumes of The Vietnam Plays Pavlo Hummel is paired with the equally intense Sticks and Stones in which a blinded Vietnam veteran returns home numbed by the war and is astonished by his family s inability to comprehend their country s politics and his rage A Primitive Heart David Rabe,2007-12-01 Tales from the Tony Award winning playwright Not only an exhibition of David Rabe s acclaimed dramatic powers but also proof of his narrative magic Billy Collins former US Poet Laureate David Rabe playwright of Hurlyburly and In the Boom Boom Room brings his intense vision to the world of fiction with a short story collection of astonishing range and versatility Whether he is writing about a marriage shadowed by the unacknowledged discord of a risky pregnancy a group of men whose attempt to settle an account launches them toward unexpected violence or a young journalist who believes he s escaped his Catholic roots only to be forced again to confront them by a priest who once mentored his writing Rabe s strong true voice tenders an inimitable portrait of America and offers benediction to her lost souls A Primitive Heart confirms the mastery of a writer and establishes David Rabe as an exciting voice in fiction Rabe has a way of implicating the reader of creating a near claustrophobic bond with his restless characters writing so convincingly that the subtext becomes almost palpable accruing darkly like a storm Okay I m eating my heart out Ann Beattie PEN Malamud Award winner These are gripping stories hard to put aside that cut so close to primitive emotional truths that they can be painful to read That vivid confusion the desire to understand something more primitive than thought makes these stories unforgettable The Seattle Times David Rabe demonstrates in this new collection of short stories that his talent for dialogue is just as dazzling inside a prose narrative as it is on stage The Baltimore Sun **Hurlyburly** David Rabe,1995 Nominated for the Tony Award when it was first produced in 1984 Hurlyburly was immediately hailed as a classic

American drama This edition is the definitive version of the prize winning author s most celebrated work reflecting his continued exploration of the play through several productions in particular the one he directed in 1988 at the Westwood Playhouse in Los Angeles and his latest thoughts regarding the text Now prize winning playwright David Rabe has matched and deepened it with Those the River Keeps an intense psychological exploration of Hurlyburly s most dangerous and enigmatic character This edition contains the definitive versions of these works a foreword in which Rabe examines the interwoven relationship of the plays and an afterword in which he discusses the process of their construction

Reflections Anthony F. Eisner,1996 American Drama Since 1960 Matthew Charles Roudané,1996 In the early 1960s two leaders of the New York performance group Living Theatre were asked to define its purpose In this survey of contemporary American drama Matthew C Roudane argues that the response of these two pioneers in experimental theater Julian Beck and Judith Malina goes a long way toward explaining the purpose of all of the rich and varied dramas to appear on the stage since 1960 To increase conscious awareness to stress the sacredness of life to break down the walls African American playwrights Lorraine Hansberry Alice Childress James Baldwin Amiri Baraka women playwrights Marsha Norman Wendy Wasserstein Beth Henley gay playwrights Harvey Fierstein Tony Kushner and others have over the past three and a half decades entreated audiences to acknowledge the persistence of racism sexism homophobia and a host of other societal ills Other playwrights have asked audiences to confront their own mortality Edward Albee their compromised morality David Mamet their unfulfilled American Dream Arthur Miller Sam Shepard and countless

others Whatever the particularities of these playwrights personal identities politics of dramatic style they share a willingness to confront uncomfortable truths about the human condition in America since 1960 Ironically it is in their very rebellion against any number of things American that they identify themselves and their literature as such Roudane takes no scattershot approach to his subject Favoring clusters of themes and the broad sweep of movements to linear chronology he develops a carefully aimed analysis of the work of about two dozen of the hundreds of playwrights whose dramas have since 1960 been performed in every venue from regional and university theaters to Off Off Broadway to Off Broadway to Broadway

[Vietnam, We've All Been There](#) Eric J. Schroeder, 1992 Vietnam We've All Been There is a unique collection of interviews with noted American writers who made the Vietnam war a subject of their work The writers represented here were chosen by Dr Schroeder because their books plays poems and reportage are among the best of the particular genre in which each one works Norman Mailer David Rabe and Michael Herr among them Provocative not only for the opinions and memories of the interviewees this book is also interesting for its focus on the variety of literary forms and styles that emerged from the Vietnam experience The author makes the point that the more successful literature to come out of the war was from writers who stretched the limits of particular forms giving birth to narratives that broke all the rules For example where journalism usually demands facts Michael Herr the author of Dispatches insisted on much more He described psychological states assessed personal losses and personified the war in ways that were radically different from accepted reporting As Dr Schroeder reminds us Vietnam deeply affected everyone who lived through it thus there were many cultural effects that still beg for examination and thought He spent nine years gathering these interviews and during that time the war was a constant presence in his life For many Americans even a lifetime may not make it possible to come to terms with the war And while it is important not to forget where we've been it is also important to move forward In this book the writers we hear from like the works they created help us to remember the past with a reflective wisdom that is essential to informing our future
